What is the  Perth Social Forum?

The Perth Social Forum follows the inspiring **World Social Forums** of the last 4 years, and similar forums in Brisbane, Melbourne & Sydney.

The Perth Social Forum will take place **26th - 28th November 2004**, and will be one of the most exciting, revitalising, participatory alternative events to ever hit Perth - strengthening alliances between social movements, unions and non-government organisations.

Contact the Organising Collective to find out more, or come along to our monthly forums.
