## Invitation to Joint Press Conference for “Chaire Louis Vuitton Japan” on International Governance and Leadership at Keio University

Keio University, Louis Vuitton Japan and the French Embassy in Japan will host the “Chaire Louis Vuitton Japan,” a year-long series of lectures on international governance and leadership open to all Keio graduate students. This series was created to meet today’s international needs to build future leaders, and made possible with the cooperation of the French government and international corporations. A joint press conference on the new seminar series will be held as explained below. We hope that you will be able to attend.

Contents : Q&A and Overview of the Newly Established “Chaire Louis Vuitton Japan” on international governance and leadership at Keio University  
When : Wed., April 12, 2006, 13:00 – 13:45  
Where : East Research Building 6<sup>th</sup> Fl., Conference Hall, Keio University's Mita Campus (2-15-45 Mita, Minato-ku, Tokyo)  
Participants : <Keio University> Yuichiro Anzai, President  
Taro Nishimura, Vice-President  
Tatsuya Sakamoto, Vice-President  
<Louis Vuitton Japan Company> Kyojiro Hata, President and CEO  
<French Embassy> Jean-Louis Mucchielli, Cultural Counselor  
<Lecturer> Philippe Nemo, Professor at ESCP-EAP

### Note: Requests for reporters

- 1) Please write down your name and company or leave your business card at the reception desk at the front of the venue.
- 2) Please note that we will not be able to supply power for recording equipment.
- 3) Please notify us of your attendance by the morning before the event (April 11).

Note: The press conference will be followed by an on-campus reception (14:00–14:45), and a public lecture (18:10–19:10 by Philippe Nemo, Professor at ESCP-EAP). Please notify a staff member at the press conference if you plan to attend.

For inquiries, please contact Tanaka or Watanabe, Public Relations, Keio University, at (tel) 03-5427-1541, (fax) 03-5441-7640, or e-mail [m-koho@adst.keio.ac.jp](mailto:m-koho@adst.keio.ac.jp). Or you can visit <<http://www.keio.ac.jp/>>.

(This release has been sent to the city news, education, sciences and other sections. A separate notification concerning the Public Lecture was sent to culture and event sections in late March.)
