 Unit Price Estimating Square Foot & Assemblies Cost Estimating Means CostWorks Training Repair & Remodeling Estimating Mechancial & Electrical Estimating Site Work & Heavy Construction Estimating Site Work & Heavy Construction Estimating Assessing Scope of Work for Facilities Job Order Contracting Facility Maintenance & Repair Estimating 	I am interested in the following Training Topics:	
 Square Foot & Assemblies Cost Estimating Square Foot & Assemblies Cost Estimating Means CostWorks Training Repair & Remodeling Estimating Mechancial & Electrical Estimating Site Work & Heavy Construction Estimating Assessing Scope of Work for Facilities Istimating for Green Building Construction Facility Maintenance & Repair Estimating 	Cost Estimating Curriculums	Construction Management Curriculums
 Square root & Assembles Cost Estimating Means CostWorks Training Repair & Remodeling Estimating Mechancial & Electrical Estimating Site Work & Heavy Construction Estimating Assessing Scope of Work for Facilities Estimating for Green Building Construction 	Unit Price Estimating	Project Management for Design/Build
 Repair & Remodeling Estimating Mechancial & Electrical Estimating Site Work & Heavy Construction Estimating Assessing Scope of Work for Facilities Job Order Contracting Estimating for Green Building Construction 	Square Foot & Assemblies Cost Estimating	Scheduling & Project Management
 Mechancial & Electrical Estimating Site Work & Heavy Construction Estimating Assessing Scope of Work for Facilities Estimating for Green Building Construction Facility Maintenance & Repair Estimating 	Means CostWorks Training	🔽 Plan Reading & Material Takeoff
Site Work & Heavy Construction Estimating Facilities Curriculums Assessing Scope of Work for Facilities Job Order Contracting Estimating for Green Building Construction Facility Maintenance & Repair Estimating	🕅 Repair & Remodeling Estimating	Understanding and Negotiating Construction Contracts
Assessing Scope of Work for Facilities Job Order Contracting Estimating for Green Building Construction Facility Maintenance & Repair Estimating	🦳 Mechancial & Electrical Estimating	
Estimating for Green Building Construction Job Order Contracting Facility Maintenance & Repair Estimating	Site Work & Heavy Construction Estimating	Facilities Curriculums
Estimating for Green Building Construction Facility Maintenance & Repair Estimating	Assessing Scope of Work for Facilities	Job Order Contracting
	Estimating for Green Building Construction	
		Life Cycle Costing For Facilities
