SUPPORT THE GREEK ANARCHISTS

On Saturday December 6. 2008. Alexandros Grigoropoulos, a 15-year old comrade, was murdered in cold blood, with a bullet in the chest by a cop in the area of Exarchia in Athens, Greece.

murder first moment after the οf Alexandros. spontaneous demonstrations and riots burst in the center of Athens, the Polytechnic, the Economic and the Law Schools are being occupied and attacks against state and capitalist targets take place in many different neighborhoods and in the city centre. Demonstrations, attacks and clashes erupt in Thessaloniki, Patras, Volos, Chanja and Heraklion in Crete, in Giannena, Komotini and many more cities. In Athens, in Patission street outside the Polytechnic and the Economic School- clashes last all night. Outside the Polytechnic the riot police make use of plastic bullets.

In the barricades, the university occupations, the demonstrations and the assemblies we keep alive the memory of Alexandros, but also the memory of Michalis Kaltezas and of all the comrades who were murdered by the state, strengthening the struggle for a world without masters and slaves, without police, armies, prisons and borders.

The bullets of the murderers in uniform, the arrests and beatings of demonstrators, the chemical gas war launched by the police forces, not only cannot manage to impose fear and silence, but they become for the people the reason to raise against state terrorism the cries of the struggle for freedom, to abandon fear and to meet more and more every day- in the streets of revolt. To let the rage overflow and drown them!

CAPITAL IS GLOBAL, SO OUR RESISTANCE MUST BE AS WELL. TOGETHER ARM IN ARM, ACROSS BORDERS AND NATIONS, WE FIGHT.
