

Western Australian Museum - Perth and the Arts Centre, Melbourne present

NICK CAVE

THE EXHIBITION

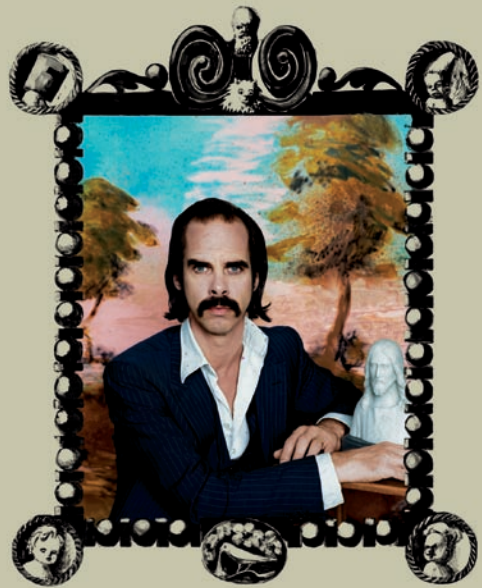

Iconic Australian musician, songwriter and author Nick Cave is now the subject of his own exhibition.

Go behind the music and into Nick's imagination and the sources of his unique vision through original lyrics, notebooks, artwork, photography and books. There will also be objects from the musician's own library and office, and rare and previously unavailable video and documentary footage.

23 May - 19 July 2009
