

Dear Writers and Colleagues,

Thank you for considering my counsel for your writing and publishing.

I appreciate that you've been working so hard on your project, because I certainly have been there myself!

I offer a few consultant hours and collaborations each year. If you'd like to see a list of who I've worked with in the past, you're welcome to take a look at my [list](#) of clients and authors. You may also want to look at my [resumé](#).

My counsel with writers has ranged from the publishing business end of book proposals, contracts, licensing, marketing, publicity— to creative collaborations, writing, editing, and figuring out the next move.

I charge \$250 minimum, and \$200 an hour. Depending on the questioner, this may seem like the bargain of the year, or prohibitively expensive. I regret if you were hoping I had the time to consult *pro bono*. I do volunteer quite a bit, and I'm afraid I've taken on as many hours of gratis consultation as I can.

The way I begin a new project with a writer is to look at a letter from you, describing what you're seeking, a piece of your work, and a deposit to begin the process. You may Paypal me at sueb@well.com or send a check to my snail mail address.

I occasionally offer blog camp, writing seminars, and marketing workshops. If you'd like to be on my mailing list for that sort of thing, please let me know.

Thank you so much for thinking of me.

All my best,

Susie Bright
