## (vessels):

Blocked vessels have been segregated into a separate section of the SDN List, below. Except in limited circumstances, financial institutions are instructed to reject any funds transfer referencing a blocked vessel and must notify OFAC, preferably via facsimile with a copy of the payment instructions, that funds have been returned to the remitter due to the possible involvement of a blocked vessel in the underlying transaction. See 31 C.F.R. § 501.604(b)(1). Financial institutions should contact OFAC's Compliance Outreach and Implementation Division for further instructions should the name of a blocked vessel appear in shipping documents presented under a letter of credit or if noticed in a documentary collection. Blocked vessels must themselves be physically blocked should they enter U.S. jurisdiction. Freight forwarders and shippers may not charter, book cargo on, or otherwise deal with blocked vessels.
