

Discover Wakehurst

The further you go from the Mansion, the longer the walk back. Don't forget the paths marked in red are steep!

Use the map to help you find where things are. Don't worry if you (and the adults with you) get lost - there are numbered fingerposts in the gardens to help you find your way around.

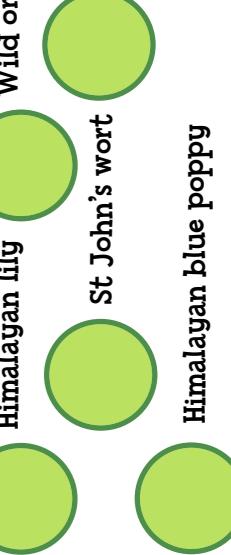

Plants for each season

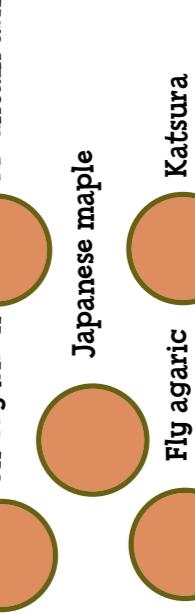

Spring Turn to pages 20 and 21 to find out about spring plants.

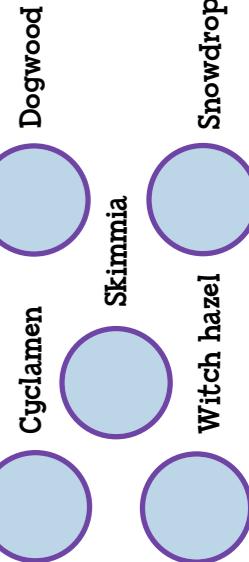

Summer Turn to pages 22 and 23 to find out about summer plants.

Autumn Turn to pages 24 and 25 to find out about autumn plants and fungi.

Winter Turn to pages 26 and 27 to find out about winter plants.

Put a sticker next to each plant when you have found it in the gardens.

Autumn Turn to pages 24 and 25 to find out about autumn plants and fungi.
