

FREE GAZA IN THE MEDIA

The following list is a collection of media responses to the Free Gaza Movement's boat trips from Cyprus to Gaza available on the internet. The list is steadily updated. It is not comprehensive, but covers most of the relevant articles and some audios and videos, also for non-English coverage. Not every item can be posted to the Free Gaza website, so here you have access to the bulk of the coverage. The Free Gaza Movement is not responsible for the content of external websites.
