Dear Mr Swales,

As Director General for the Office for National Statistics, I have been asked to reply to your Parliamentary Question asking how many new jobs were created in Redcar parliamentary constituency in each of the last five years. (4590)

Statistics regarding the number of new jobs created are not available.

National and local area estimates for many labour market statistics, including employment and unemployment are available from the NOMIS website at: <http://www.nomisweb.co.uk>.

Yours sincerely,

**Stephen Penneck**  
Director General for ONS
