July 2010

Dear Sir,

Thank you for your letter dated 22 July regarding my comments on the legality of the 2003 Iraq war made to the House on 21 July.

I am happy to make clear that my comments in the House on 21 July represented my long-held personal view on the legality of the Iraq conflict. My views on this have been well known for many years and I have expressed them in public many times before.

I am placing a copy of this letter in both libraries of the House.
