

Workplace Violence Prevention Training

Sponsored by

Workplace violence is a growing and serious problem in Manitoba workplaces. Workplaces are required to identify and assess the risk for violence in their workplace and develop a Workplace Violence policy.

Who Should Attend:

Members of the Joint Health & Safety Committee, Workers, Managers, Supervisors

Highlights of the training include:

- ✓ What is workplace violence
- ✓ Consequences of workplace violence on individual workers and their workplace
- ✓ Risk factors for workplace violence
- ✓ Explore ways to eliminate or reduce the risk of workplace violence
- ✓ Understand the components of a successful workplace violence prevention program
- ✓ Available resources

Registration

Space is limited! Register early! Free of charge - registration is required
