What is Azzam Publications?

Azzam Publications is an independent media organisation providing authentic news and information about Jihad and the Foreign Mujahideen everywhere. It comprises a handful of individuals who volunteer their spare time without getting paid to convey authentic news to the World about these matters.

Where is Azzam Publications based?

Azzam Publications is based entirely on the Internet, although it has a post box address in London, United Kingdom. We do not have an office or street address.

[Back to top](#)

Who funds Azzam Publications?

With the exception of web space and minor printing costs that rarely exceed a few hundred dollars every year, Azzam Publications does not have any costs that require external funding. The costs mentioned here are met by the volunteers

themselves and through proceeds of books and audio cassettes that we sell..

[Back to top](#)

Can I visit Azzam Publications?

Yes, as we are based entirely on the Internet, anyone with access to the Internet can visit us. If you mean, a visit in person, then no, it is not possible to visit us since we do not have an office or street address.

[Back to top](#)

Do you have any circles, meetings or conferences?

We are only a media organisation and therefore we do not hold any circles, meetings or conferences.

[Back to top](#)

Can Azzam Publications provide me with contact names, addresses and telephone numbers to enable me to get to a land of Jihad such as Afghanistan or Chechnya?

As we mentioned above, we are only a media organisation and we do not provide information for anyone wishing to go to a land of Jihad. Perhaps interested parties can try asking BBC or CNN to provide them with contact details to reach Mujahideen in Chechnya or Afghanistan and see what they say.

[Back to top](#)

Can Azzam Publications provide me with details where I can find information and manuals on home-made explosives on the Internet?

We are a media organisation and not an Internet search engine. Anyone who wishes to locate the above information can easily go to any search engine and find it themselves.

[Back to top](#)

Where does the name 'Azzam Publications' come from?

The name 'Azzam Publications' is named after Dr Sheikh Abdullah Azzam, a Palestinian scholar instrumental in reviving Jihad in the 20th Century. He was assassinated, allegedly in a joint plot by the CIA and KGB, in Peshawar in 1989. His full biography can be found [here](#).

[Back to top](#)

Why do you not accept credit-cards for ordering your products?

Setting-up and maintaining an e-commerce site efficiently requires resources and time that we do not have. Therefore, we only accept cash as payment.

[Back to top](#)

Can I at least make payment by transferring funds into your bank account?

For the same reasons mentioned above (lack of time and resources), we do not have a bank account.

[Back to top](#)

There are other sites on the Internet carrying the name Azzam or its variants. Do these sites have anything to do with Azzam Publications?

No, www.qoqaz.net and its mirrors is the only site on the Internet connected with

Azzam Publications.

[Back to top](#)

How do I become a member of Azzam Publications?

Azzam Publications is a media outlet; it is not a new Islamic group. Therefore, it is not possible to join Azzam Publications.

[Back to top](#)

Why is the content on azzam.com predominantly about Jihad when the Prophet (SAWS) did not only speak about Jihad?

Since the number of sites on the Internet dealing exclusively about Jihad are very small in number, we have taken this obligation upon ourselves. We do not consider it efficient to include other Islamic content on our web-site when there are already many other excellent Islamic sites doing a better job than we could do. We have linked to some of these sites in our Links section.

[Back to top](#)

I know some members of Azzam Publications. Can I purchase products directly from them?

As we mentioned above, Azzam Publications is only a media outlet on the Internet. It is not a group, it does not have members and it does not have an office. If someone claims to be part of or know someone who is a member of Azzam Publications, then they are lying.

[Back to top](#)

Can I arrange an interview with some of the people behind Azzam Publications?

No, we do not have the time for such interviews and nor do we see this exercise as beneficial. You may send us your questions by e-mail and we can attempt,

without promising, to answer them for you.

Why are your products not available in Islamic bookstores like all other Islamic books?

Our products are already sold at a very low price and are not sold for profit. We have not left any profit margin for resellers. Furthermore, our lack of resources means that we cannot offer credit to resellers nor efficiently administrate such arrangements. Although we consider it unfair to ask someone to sell our products with no profit to themselves, if someone does wish to purchase large quantities of our products for reselling purposes, please contact us. However, we would not be able to offer you a substantial discount for bulk purchases.
