CURRICULUM VITAE—AIDAN KEHOE

Name: Aidan Kehoe, BA (Mod.)

Born: 18th March 1981, Wexford, Republic of Ireland

Address:

Wisbyerstr. 10c
10439 Berlin
Germany

Tel: +49 176 29790810

Email: <kehoea@parhasard.net>

Skills:

- Excellent C, Perl, PHP, JavaScript. Good C++, Java, XML, XSL, Common- and Emacs-Lisp.

- Linux and BSD administration (Postfix, Bind, IPSec, OpenBSD's PF Apache, PostgreSQL, MySQL), also some Solaris experience.

- English as my first language, very good command of the written language, good spoken communication skills.

- Fluent German, three years spent in Berlin, working through German, following two years' formal study of the language.

- Fluent French—one year spent studying at the Université Catholique de Louvain through French, 19 months spent working in a French-speaking environment in total.

- Conversational Spanish, though with limited fluency in the formal written standard.

- Good knowledge of the XEmacs codebase, active contributor to the project.

Work experience:

- June 2006–today; Telephone and email support for print software, with custom development using JavaScript and C++. dots GmbH, Berlin.

- August 2005–June 2006; Initially part-time, then full-time work for TELES skyDSL Europe B.V, a DSL-via-Satellite company. Technical support, contract and billing administration, translation work into English and French.

- February 2005–December 2005; Freelance web-development work for Phorest Communications, and part-time document classification work at the European Patent Office.

- June 2003–January 2005; Database-backed web development and adminstration of the mail, web and network infrastructure for Phorest Communications, of Dublin 1, Ireland.

- October 2002–June 2003; Internal technical support by telephone for IBM in France, from Dublin; Lotus Notes, IGN Global Dialer, other programs.

- Summer 2001; Programming with Java and C, writing a library to integrate a speech recognition program with the JDK, TCD, Dublin.

Education:

- 2.1 degree, Computer Science, Linguistics and French, University of Dublin, Trinity College, 2002.

- Leaving Certificate, 1998 (College entrance exam, based on 2 years' study).
