Domoni keeps door ajar for Nacewa

Still in the run

By RODNEY DUTHIE

FLYING Fijians coach Samu Domoni says he will keep the door open for Leinster star Isa Nacewa to decide his Rugby World Cup fate.

The 28-year old Nacewa, capped once by Fiji, has not yet decided whether to make himself available for the 2011 Rugby World Cup.

Domoni said it was up to Nacewa to make the call. "We've already had our chats with him. Now the ball is in his hands," Domoni said.

"He now has to manage and make sure what is beneficial to him. We all want him to come and he understands that. So he's got to manoeuvre his club and his family."
