Andy is a Mountain Lion,

Who wanders here and there.

He loves to climb on rocks,

Especially near his lair.

What colors do you see in Andy's Rock

Andy lives on a mountain,

Where he spends his days.

Though he's often very busy,

He loves to catch some rays!

*Do you like to soak up the sunshine like Andy?
What is Andy standing on?*

Katie and Oscar are cougar kittens,

Their dad is a mountain lion.

They love to play and romp,

And dream that they are flyin'.

Who is flying in this picture?

Do you have any kitten friends?

Duke is a Timber Wolf,

Who lives in a dark green wood.

He likes to sniff the wildflowers,

And they smell really good!

*What color are the flowers that Duke smells?
Do you have animal friends like Duke?*

Duke comes out at night,

To howl at the Man in the Moon.

He howls with all his friends,

And not always in tune!

Do you like to howl with your friends?

Daisy is a busy Badger,

Who lives in a hole in the ground.

She likes to dig in the dirt,

When no one is around.

*What do you think Daisy digs with?
What does she eat with?*

Betty is a fluffy bobcat,

Who loves to climb in trees.

She goes to the tippy-top,

To see what she can see.

What do you think Betty sees?

What do you see?

Betty sleeps on soft green moss,

In a cozy cave in the woods.

But she comes out every evening,

To explore her neighborhood.

*Can you find Betty's cave?
Where is the soft green moss?*

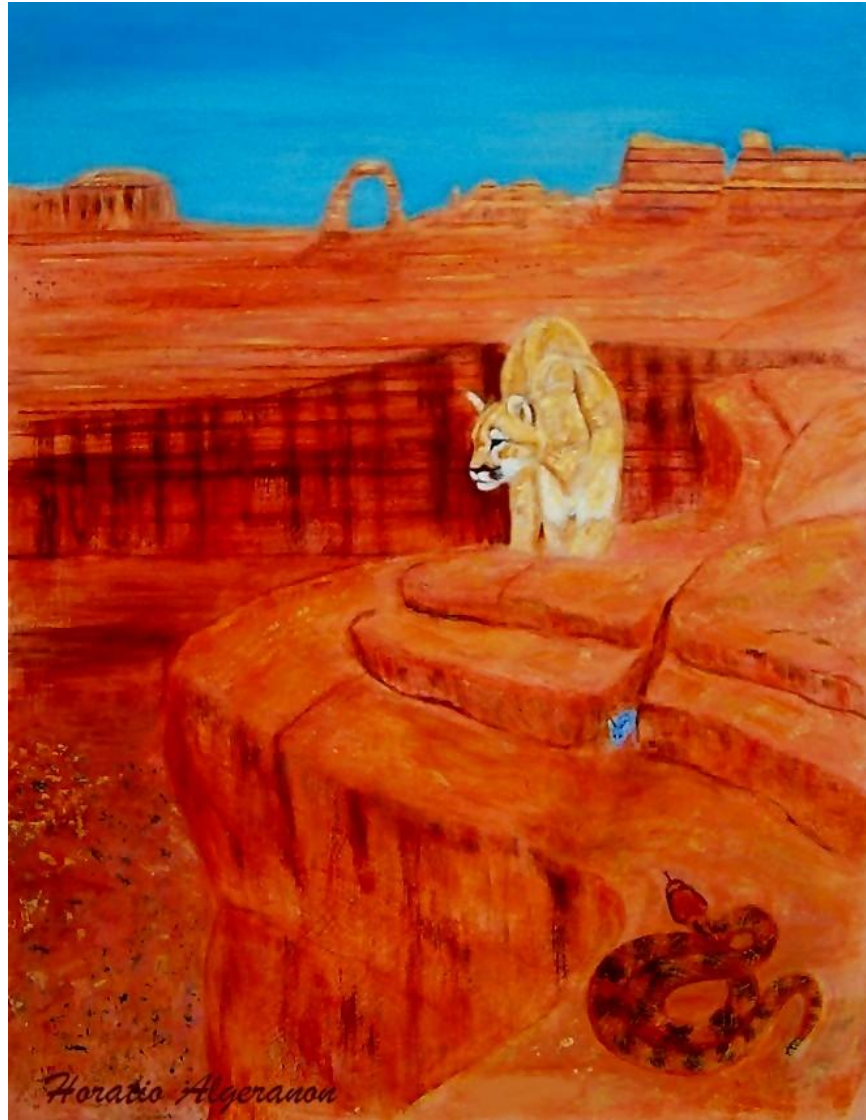

Rosie is a rambunctious raccoon,

Who lives in a hollow tree

She loves to play hide n' seek,

Just like you and me!

Do you have any raccoons in *your* neighborhood?

Horatio is a little deer mouse,

Who lives in Arches Park.

He hides in little crevices,

And comes out after dark!

*Can you find Horatio?
Can you find the arch?
What other animals do you see?*

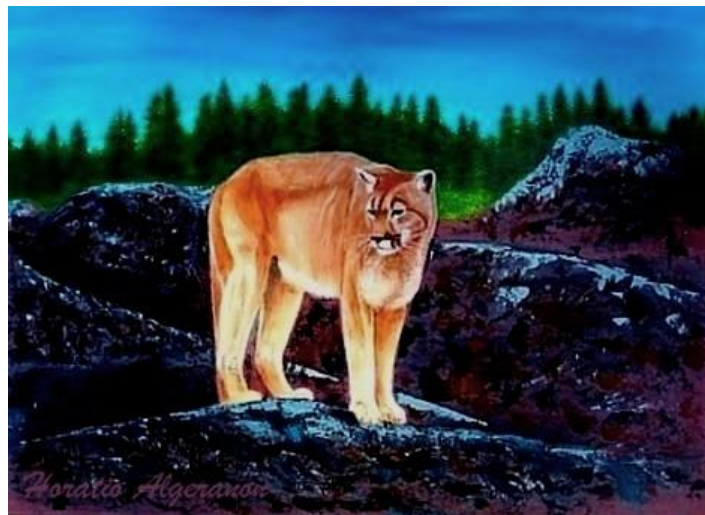

Now it's time to say goodbye,

To our wild animal friends.

Our little story about them

Has reached its very end!

Goodbye to Andy the mountain lion...

Goodbye to Rosie the raccoon...

Goodbye to Duke the timber wolf...

Goodbye to Daisy the badger...

Goodbye to Katie and Oscar the cougar kittens...

Goodbye to Betty the bobcat...

And goodbye from Horatio  to you!
