

7/20/11

Dear Lick Observatory Visitors:

Please note that Quimby Road near Mt. Hamilton will be partially closed due to Santa Clara County Roads maintenance August 6 – 7, 2011. The contractor is scheduled to work from 9:00 am - 6:30 pm.

On road segments that are two lanes wide, one-way traffic control will be mandated. For the narrower segments, traffic could be stopped for hours. This would require you to return to San Jose and proceed to Alum Rock Avenue.

It is highly recommended that drivers not attempt to use Quimby Road to access the observatory on August 6 - 7. For easiest access to Lick Observatory, proceed from San Jose to Alum Rock Avenue to Mt. Hamilton Road.

If you need more information or directions, please contact Lick Observatory Guides Office/Gift Shop at 408-274-5061.

Best regards,

John Wareham
Deputy Director
Lick Observatory
