As a voluntary organisation JIMAS needs support in order to maintain, continue and enhance its activities. Normally an amount is offered either towards the travel costs or as a gratuity to the speaker or both. To assist the ongoing da'wah work for the long run we request all Islamic societies and organisations or groups, whether based at an institution or outside, e.g. a mosque, to donate a flat all-inclusive contribution of £100 to the Charity per event.

JIMAS is also eager to co-operate in joint efforts or even to sponsor others' Islamic activities and projects where able. Should you require us to waive the 'fee' or to sponsor your event then do let us know.
