About us LRD publications Affiliations Subscriptions Commissioned research Press Contact us March 2010

Welcome to the Labour Research Department's (LRD) monthly e-newsletter that brings you the latest in trade union, workplace and pay news as well as LRD's publications and services.

### Labour Research: March (TUC Womens special issue)

What now for equal pay in councils? Parties set out stall on policies for women; axe falls on public services in Europe; and higher education cuts. It also gives the latest information on equality matters and European Union developments...

>> Lists features and content

### Workplace Report: February

Annual leave - a survey of entitlements; Teaching assistants' pay - negotiating a new school support pay framework; Plus case law on dismissal and transfer covers significant cases, basic legal rules and key developments...

>> Lists features and content

### February LRD booklet:

#### Taking Industrial action - a legal guide

Knowledge of the law of industrial action is vital as the consequences of a failure to observe the provisions of the *Trade Union & Labour Relations (Consolidation) Act 1992* when going out on strike are severe. It presents the vital information so that the process is clearly understood...

>> View chapters

### Case Law Library (6 editions now available)

Each year LRD publishes a new edition of *Case law at work* a unique source of information on recent employment law cases ...

>> Read more
