

# EPIC

*Focusing public attention on emerging privacy & civil liberties issues*

**When Big Brother keeps tabs on the people, it is nice to know there are some people keeping tabs on Big Brother.**

—NEW YORK LAW JOURNAL

**THE ELECTRONIC PRIVACY INFORMATION CENTER** is a public interest research center in Washington, D.C. EPIC was established in 1994 to focus public attention on emerging civil liberties issues and to protect privacy, freedom of expression and constitutional values in the information age. EPIC pursues a wide range of activities, including policy research, public education, conferences, litigation, publications, and advocacy. EPIC maintains two of the most popular privacy sites in the world—EPIC.ORG and PRIVACY.ORG.

## Support EPIC

EPIC receives support from individual contributors, private foundations, the sale of publications, and legal awards. Contributions to EPIC are tax-deductible.

**Defend privacy. Support EPIC at EPIC.ORG/DONATE**

**EPIC is on the front lines of the most important civil liberties issues of our age.**

—BRUCE SCHNEIER

# A great resource on civil liberties and First Amendment issues.

—WIRED MAGAZINE

EPIC's Privacy Law Sourcebook is a handy compilation of privacy law instruments and a "must" for anyone seeking guidance about the location and content of the key statutes, treaties, and recent developments.

—AMERICAN SOCIETY OF INTERNATIONAL LAW

**EPIC's FOIA manual deserves a place in the library of everyone who is involved in, or thinking about, litigation under the Freedom of Information Act.**  
—STEVE AFTERGOD, FEDERATION OF AMERICAN SCIENTISTS

The EPIC FOIA litigation manual will help ensure that those who are pursuing open government requests understand their rights, and the best strategies to pursue their requests. —SENATOR PATRICK LEAHY

**EPIC is one of the most important civil liberties groups in the country.** —ANITA L. ALLEN

The EPIC Privacy Law Sourcebook is the 'Physician's Desk Reference' of the privacy world.

—EVAN HENDRICKS, PRIVACY TIMES

**EPIC does wonderful work. I admire their efforts to protect the privacy of Americans.** —JAMES BAMFORD

There is an increasing recognition that we must involve all stakeholders including the voice of civil society. The Public Voice meeting and its contribution to the Forum have been constructive and positive.  
—OECD UNDER-SECRETARY GENERAL

*The Electronic Privacy Information Center advocates for the right to be left alone in this digital age. It's a tough fight, but somebody has to keep it going.* —KNIGHT/RIDDER TRIBUNE NEWS SERVICE
