

# Suluk Academy

## Suluk Academy Is Offering Two New Trainings!

Suluk Academy was founded in 2002 by Pir Zia Inayat-Khan, the spiritual leader of the Sufi Order International. The Academy's guiding vision derives from the spiritual legacy of Hazrat Inayat Khan (1882-1927), the mystical philosopher and musician who gave definitive modern expression to the timeless and universal wisdom of Sufism.

*"Words cannot express the impact Suluk has had on my life. It has utterly transformed my spiritual practice, my relationship with Murshid and my understanding of my life and my path. I am a completely different person because of the depth and power of the teachings and techniques I received at Suluk." - Alani Babuli*
