LIST OF MEETINGS ORGANIZED BY THE	71
SECRETARIAT OF THE CONVENTION ON BIOLOGICAL DIVERSITY	71

INTRODUCTION

1. This report has been prepared pursuant to decision III/24 of the Conference of the Parties, which requested the Executive Secretary to prepare a quarterly report on the administration of the Convention including such matters as the staff list, status of contributions, progress on the implementation of the medium term work programme and financial expenditure report. The requirements to report on a regular basis to the Parties were further elaborated under the Administrative Arrangements between the Secretariat and UNEP, which were endorsed by the Conference of the Parties in decision IV/17.
2. Therefore, the Executive Secretary has prepared the 53rd edition of the Quarterly Report which contains a summary of key activities in implementing the decisions of the Conference of the Parties and other relevant matters during the period 1 April to 30 June 2011.

I. OFFICE OF THE EXECUTIVE SECRETARY

MEETINGS

3. The Secretariat organized the following meetings:
4. Seventh Coordination Meeting for Governments and Organizations Implementing and/or Funding Biosafety Capacity-building Activities, and the Eighth meeting of the Liaison Group on Capacity-Building for Biosafety, 4-6 April and 7-8 April 2011 (respectively), in Chisinau, Republic of Moldova.
5. Expert meeting of the modalities of Operation of the ABS Clearing house, 11-14 April 2011, Montreal, Canada.
6. Central and Eastern European Regional Training of Trainers' Workshop on the Identification and Documentation of Living Modified Organisms under the Cartagena Protocol on Biosafety, 11-15 April 2011, Ljubljana, Slovenia.
7. Three regional workshops on Biodiversity and Finance in support of the Nagoya Outcomes were held: in Asia (8 April 2011, Da Lat City, Viet Nam); in South America (30 April 2011, Cartagena, Colombia); and in Central America (5 May 2011 Panama City, Panama).
8. Third Expert Meeting for South-South Cooperation on Biodiversity for Development, 18-20 May 2011, Incheon, Republic of Korea.
9. Meeting of the Consortium of Scientific Partners on Biodiversity, 20 May 2011, Incheon, Republic of Korea.
10. Sub-Regional Workshop for West Africa on Capacity-building for Implementation of the CBD Programme of Work on Protected Areas, 22-26 May 2011, Dakar, Senegal.
11. Roundtable on Financing Protected Areas in West Africa, 27 May 2011, Dakar, Senegal
12. Third meeting of the Ad hoc Technical Expert Group on Risk Assessment and Risk Management of Living Modified Organisms, 30 May-3 June 2011, Mexico City, Mexico

13. International meeting on Article 10 (Sustainable Use of Biological Diversity) with a focus on Article 10(c) (Customary Use of Biological Diversity), 31 May-3 June 2011, Montreal, Canada.
14. Eleventh meeting of the Coordination Mechanism for the Global Taxonomy Initiative. 3-4 June 2011, Montreal, Canada.
15. A meeting of the COP 10 Bureau was held on 4 June 2011 in Montreal, Canada. Items on the agenda included: work programme for the implementation of COP 10 decisions, preparations for the COP 11 and COPMOP6 meetings, and celebration of the United Nations Decade on Biodiversity, among other issues. On 5 June, a working lunch was held between the COP 10 Bureau member and the CEO of the Global Environment Facility the next day, as well as a joint meeting of the Bureaux of COP 10 and ICNP 1. The SBSTTA Bureaux convened a meeting on 5-6 June 2011. The Bureau members of COP, ICNP and SBSTTA had a working lunch on 6 June, in which a presentation by the Secretary of the ITPGRFA was made.
16. Capacity-building Workshop on Access and Benefit-sharing, 4-5 June 2011, Montreal, Canada.
17. Preparatory meeting of the Open-ended Ad Hoc Intergovernmental Committee for the Nagoya Protocol on ABS, 5 June 2011, Montreal, Canada.
18. First Meeting of the Open-ended Ad Hoc Intergovernmental Committee for the Nagoya Protocol on ABS (ICNP 1), 6-10 June 2011, Montreal, Canada.
19. Joint Meeting of the CBD Liaison Group on Bushmeat and the CITES Central Africa Bushmeat Working Group, 7-10 June 2011, Nairobi, Kenya.
20. Central and Eastern European Regional Workshop on the Nagoya – Kuala Lumpur Supplementary Protocol on Liability and Redress to the Cartagena Protocol on Biosafety, 16-17 June 2011, Ljubljana, Slovenia.
21. Ad hoc Technical Expert Group Meeting on Indicators for the Strategic Plan for Biodiversity 2011-2020, 20-24 June 2011, High Wycombe, United Kingdom.
22. South East Asia's Capacity-building and Orientation of GTI National Focal Points on Species and Protected Areas Database Interfaces, 22 June 2011, Manila, Philippines
23. Liaison Group Meeting on Climate-Related Geo-Engineering as it relates to the Convention on Biological Diversity, 29 June – 1 July 2011, London, United Kingdom
24. The Secretariat also organized six Regional workshops on Updating National Biodiversity Strategies and Action Plans: for Europe (15-19 April 2011, Isle of Vilm, Germany); for North Africa and the Middle East (2-7 May 2011, Beirut, Lebanon); for East, South and Southeast Asia (9-16 May 2011, Xi'an, China); for West Africa (22-26 May 2011, Dakar, Senegal); for Central Africa (19-23 June 2011, Brazzaville, Congo); and for Eastern Africa (27-30 June 2011, Kigali, Rwanda). A capacity-building workshop on Updating and Revising National Biodiversity Strategies and Action Plans was also organized on 30 June-1 July 2011 in Geneva, Switzerland.

MEMORANDA OF COOPERATION/UNDERSTANDING

Consortium of Scientific Partners on Biodiversity

25. During the period between April and June 2011, the Consortium of Scientific Partners on Biodiversity welcomed new members to the group, namely: the South African National Biodiversity Institute and, the Museum fuer Naturkunde – Leibniz Institute for Research on Evolution and Biodiversity of Berlin.

Botanic Gardens Conservation International (BGCI)

26. An agreement Memorandum of Understanding was signed between the Botanic Gardens Conservation International and the Secretariat of the Convention on Biological Diversity, with the aim to have effective partnership on the implementation of the consolidated and updated Global Strategy for Plant Conservation 2011-2020 and related decisions by the Conference of the Parties to the CBD that will benefit Parties and stakeholders and this contribute to the implementation of the Strategic Plan for Biodiversity 2011-2020.

MUSEUM OF NATURE AND CULTURE

27. The first meeting of the ICNP provided an opportunity for a number of delegates to present donations to the CBD Museum. Donations were received from the following countries: Iraq, Bosnia and Herzegovina, Guinea, Thailand, Hungary, Republic of Moldova, as well as an artwork from the Tezukayama Gallery in Japan. A presentation of the donation from the President of Algeria to the CBD Museum was also made by the Ambassador of Algeria to Canada and the Consul General of Algeria in Montreal.

REPRESENTATION

28. Between April and June 2011, the Secretariat engaged and contributed to a number of important meetings of relevance to the work of the Convention and its Cartagena Protocol on Biosafety. Details can be seen in Annex I to this report.

Meetings of the Executive Secretary

29. During the reporting period, the Executive Secretary met with a number of senior officials and representatives from Parties, other Governments, organizations and institutions, with a view to further strengthening collaboration, and raise public awareness of the work and objectives of the Convention on Biological Diversity and its Cartagena Protocol on Biosafety.

30. In April, the Secretariat welcomed the visit of the following to the Secretariat: a delegation from the Korean Government, the Executive Director and staff of the Island Conservation, and representatives of the Secretariat of the Global Industry Coalition. A brown bag presentation was made by Christoph Haeuser of the Museum fuer Naturkunde on "Taxonomy for the Convention: the Global Taxonomy Initiative and its implementation".

31. During the month of May, guests at the CBD included: the Vice Consul of Peru in Montreal, students from the Université de Montreal and students from the Colegio Westmount in Mexico. Peter

Bridgewater of JNCC, who was also visiting, gave a presentation to the Secretariat staff on “Novel ecosystems – new problems – or opportunities - for biodiversity?”.

32. A number of people paid a visit to the Secretariat in June, including: the Executive Secretary of the UNCCD as well as the UNCCD Liaison Officer in New York, the Mayor of Montpellier and delegation, the CEO and Chairperson of the Global Environment facility, the Vice Rector of the United Nations University, the Executive Secretary IOC/ Assistant Director General of UNESCO for IOC, the Secretary of the ITPGRFA, the CEO and staff of RARE, the CBD National Focal Point for Canada, and the Consul General of Peru in Montreal. Delegates attending the ICNP 1 meeting also visited the Secretariat including: the Philippines and the Indonesia, as well as staff from BMU/BMZ-Germany. The CBD Executive Secretary also welcomed the visit of the Ambassador of Algeria to Canada and the Consul General of Algeria in Montreal for the inauguration of the donation from the President of Algeria at the Secretariat premises.

33. In April, a meeting of the Joint Liaison Group of the Rio Conventions (JLG) was held on 11 April 2011 at the UNCCD premises in Bonn. Issues discussed in the meeting included: (i) current and requested activities undertaken by the JLG, (ii) support for the coordination of national planning and reporting processes, (iii) cooperation on gender mainstreaming (iv) plans for joint events at Rio+20, including the Rio Conventions Pavilion and (v) joint outreach and communication initiatives. Main outcomes from the meeting include an agreement to formalize the terms of reference and modus operandi of the JLG, a set of joint high level activities identified for Rio+20 as well as the 20th anniversary of the conventions in 2012, and new and revised joint publications on climate change adaptation, forests and gender.

34. A meeting of the Biodiversity-related Conventions Liaison Group was held on 13 April in Geneva at the office of the CITES Secretariat. The meeting addressed the following issues: (i) update on the activities of the Japan Fund and capacity building support for the implementation of the Nagoya Outcomes, and other activities being undertaken by BLG members in support of the 2011- 2020 Strategic Plan for Biodiversity; (ii) activities in preparation for UN Decade for Biodiversity; and (iii) the need for a more formal agreed modus operandi for the BLG to be developed and agreed by September 2011.

35. At the kind invitation of the Cuban Ministry of Science, Technology and Environment, the CBD Executive Secretary paid an official visit to Cuba and met with senior government officials from the Foreign Affairs and Environment Ministries to discuss ways and means to enhance relations between Cuba and CBD, in particular on the implementation of the Nagoya Biodiversity Summit outcomes, including the Nagoya Protocol on ABS, and preparations for CBD COP 11 to be held in Hyderabad, India in October 2012. Meetings were also held with relevant Cuban organizations and agencies.

36. Following the proclamation by the United Nations General Assembly that the period of 2011-2020 as the United Nations Decade on Biodiversity, a number of regional launches of the Decade in Asia was held in May, in particular, in the Republic of Korea, India and the Philippines. In the Republic of Korea, more than 1,000 participants attended the launch of the United Nations Decade on Biodiversity, which coincided with the celebrations of the International Day for Biological Diversity and the launch of the International Year of Forests. A meeting was also held with the President of the Republic of Korea, together with the Executive Secretaries of the UNCCD and the G-77 Secretariat.

37. The Minister of Environment and Forests of India also launched the UNDB in New Delhi, with the participation of more than 500 participants, including the CBD Executive Secretary, the Vice Minister of Environment of Japan, Ministers of Environment of Sri Lanka and Afganistan, representatives of the diplomatic corps in New Delhi, Government officials, international bodies, industry, among others. The official logo of COP11 and slogan - Rokruthi Rokrshathi Rokrshita - which means “Nature protects if she is

protected” was unveiled. During the event, Minister Ramesh unveiled the COP11 logo. A Stakeholders’ meeting on biodiversity was also held on the same day.

38. The UNDB was also launched by the President of the Philippines at the Malacañang Palace, with the participation of diplomats from Brunei Darussalam, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Singapore, Thailand and Viet Nam; high-level government officials; and representatives of media, conservation organizations and the business community. At the event, President Benigno Aquino III issued a Presidential Proclamation declaring 2011-2020 as the National Decade on Biodiversity in the Philippines. Also at the event, which coincided with the launch of the International Year of Forests, President Aquino declared the balete tree as “Heritage Tree” under the DENR’s Heritage Tree Program, with a commemorative marker unveiled during the ceremony.

39. Also in May, the CBD Executive Secretary paid a two-day official visit to the People’s Republic of China. Meetings were held with senior officials in the Ministry of Environmental Protection, Ministry of Foreign Affairs, and the China International Centre of Economic and Technical Exchanges, a South-South Cooperation implementing agency under the Ministry of Commerce. Issues discussed included: the United Nations Decade on Biodiversity, China’s engagement in South-South Cooperation on Biodiversity as well as the possibility of promoting biodiversity in the China-Africa cooperation framework.

40. The CBD Executive Secretary was also in Bangkok in May to brief the Ambassadors accredited to ESCAP on the Nagoya outcomes. He also was invited to

41. During the month of June, the CBD Executive Secretary was in Brussels to brief the Ambassadors accredited to the European Commission on the outcomes of the Nagoya Biodiversity Summit. While in Brussels, bilateral meetings were held with senior EU officials. From Brussels, the CBD Executive Secretary travelled to Paris to attend the World Heritage Committee, where a briefing was made during a side event on the outcomes of COP10. He also attended and delivered a statement at the International Conference on reconciling poverty eradication and quality of the environment on 27 June.

42. The CBD Executive Secretary was also invited to attend the PEBLDS meeting in Geneva on 28-29 June, after which he gave a briefing on the COP 10 outcomes at the FAO Conference on 30 June in Rome.

43. During the second quarter of 2011, the CBD Executive Secretary took part in a number of media-related events including interviews with by Forbes on “The Future of Life On Earth: A Two-Part Discussion”, with Dr. Jose Barrueco, Minister of Science, Technology and Environment in Cuba, as well as interviews in the margins of the UNDB launch in Manila. He was also a guest article for IISD’s Biodiversity Policy and Practice, contributing a piece on “The Nagoya Biodiversity Compact”.

IMPLEMENTATION OF THE ADMINISTRATIVE ARRANGEMENTS

A. Personnel Arrangements

44. During the period April – June 2011, there were 29 Professional staff members regularized on posts approved under the Convention. There were 3 vacant posts. Additionally, 6 professional staff members are regularized on posts funded from other sources.

45. Under the Convention there were 23 General Service staff members regularized on posts funded by the core budget. There were 4 vacant posts. Additionally, 11 staff members are regularized on posts funded from other sources.
46. During the period under review for the Biosafety Protocol there were 8 Professional staff members regularized on posts approved by the COP/MOP. There were 4 General Service staff members regularized on posts funded by the core budget, and 1 vacant post.
47. For more information, please refer to the attached staff list and organigram (Annex II Appendix 1, and Annex III respectively).

B. Financial Arrangements

48. With regard to budgetary matters, as at 30 June 2011, of the total pledged contributions of US\$10,847,376 for 2011 to the General Trust Fund for the Convention on Biological Diversity (**BY Trust Fund**), the total contributions received amounted to US\$8,466,961 of which US\$569,794 were 2011 and future years pledges paid in 2010, and US\$7,897,167 were pledges paid in 2011 for 2011 and future years. Details of the BY Trust Fund are contained in Annex VI.
49. Several Parties have contributed additional voluntary funds in support of approved activities under the Convention (**BE Trust Fund**). As of 30 June 2011, the total pledged for 2011 amounts to US\$13,495,750 of which US\$11,576,431 has been received. Total unpaid pledges for 2011 and prior years to the BE Trust Fund is US\$2,557,076. Details of the BE Trust Fund are contained in Annex IV.
50. As at 30 June 2011, US\$663,251 has been pledged in 2011 as additional voluntary contributions to facilitate the participation of Parties to the Convention Process (**BZ Trust Fund**). To date, US\$416,563 has been received. Total unpaid pledges for 2011 and prior years, to the BZ Trust Fund, amount to US\$408,826. Details of the BZ Trust Fund are contained in Annex V.
51. As at 30 June 2011, of the total pledged contributions of US\$1,968,423 for 2011 to the General Trust Fund for the Core Programme Budget for the Biosafety Protocol (**BG Trust Fund**), total contributions received is US\$1,263,538, of which US\$473,810 were 2011 and future years pledges paid in 2010 and US\$832,692 has been received in 2011 for 2011 and future years. Details of the BG Trust Fund are contained in Annex VII.
52. As at 30 June 2011, three Parties have pledged and/or contributed to the Special Voluntary Trust Fund for Additional Voluntary Contributions in support of Approved Activities of the Cartagena Protocol on Biosafety (**BH Trust Fund**). To date, US\$178,376 has been received in 2011 for 2011 and future years. Details of the BH Trust Fund are contained in Annex VIII.
53. As at 30 June 2011, no Parties have pledged and/or contributed to the Special Voluntary Trust Fund for Facilitating Participation of Developing Country Parties in the Cartagena Protocol on Biosafety, (**BI Trust Fund**). Total unpaid pledges for prior years, to the BI Trust Fund, amounts to US\$31,620. Details of the BI Trust Fund are contained in Annex IX.
54. As at 30 June 2011, two pledges have been received for the General Trust Fund for Voluntary Contributions to Facilitate the Participation of Indigenous and Local Communities in the Work of the Convention on Biological Diversity (**VB Trust Fund**) in 2011. Germany pledged EUR51,100 and Norway pledged 180,000NOK. Details of the VB Trust Fund are contained in Annex X.

II. IMPLEMENTATION OF THE DECISIONS OF THE CONFERENCE OF THE PARTIES

SCIENTIFIC, TECHNICAL AND TECHNOLOGICAL MATTERS

Decisions IX/10 and X/4: Third edition of the Global Biodiversity Outlook: implications for the future implementation of the Convention

55. In response to these decisions, the Secretariat:

- (a) Commissioned a review of the process of preparation and production of the third edition of the Global Biodiversity Outlook in order to further improve the process for future editions of the Global Biodiversity Outlook;
- (b) Provided data, statistics and general guidance to the consultant selected to conduct the review;
- (c) Issued notification 2011-115 to invite contributions to a review of the process of preparation and production of the third edition of the Global Biodiversity Outlook in order to further improve the process for future editions of the Global Biodiversity Outlook and to maintain comparability with earlier editions where necessary;
- (d) Updated the Global Biodiversity Outlook web pages in connection with the launch of the new CBD website;
- (e) Made presentations on the conclusions of GBO-3 at various events, including NBSAP workshops, technical meetings and academic events;
- (f) Contributed a draft Biodiversity chapter of the fourth report on Sustainable Development for Africa and made revisions in line with the comments that were received; and
- (g) Continued to liaise with the Stockholm Resilience Centre on the preparation of a Cities Biodiversity Outlook.

Decision X/7: Examination of the outcome-oriented goals and targets (and associated indicators) and consideration of their possible adjustment for the period beyond 2010

56. In response to this decision, the Secretariat:

- (a) Continued, in collaboration with the European Commission, DEFRA, UNEP-WCMC and other partners, preparations for the AHTEG on indicators and larger expert meeting in support of the AHTEG, and subsequently serviced the AHTEG on Indicators for the Strategic Plan for Biodiversity (High Wycombe, UK, 20-24 June 2011);
- (b) Presented the process on indicators for the Strategic Plan for Biodiversity at the International meeting on Article 10 (Sustainable Use of Biological Diversity) with a focus on Article 10(c) (Customary Use of Biological Diversity) (Montreal, 2 June 2011); and
- (c) Continued preparing guides for each of the Aichi Biodiversity Targets.

Decision X/9: The multi-year programme of work for the Conference of the Parties for the period 2011-2020 and periodicity of meetings

57. In response to requests in decision X/9, paragraph (a), item (ix), the Secretariat carried out the following activities:

- (a) Held extensive discussions with , the Society for Ecological Restoration, Parks Canada, IUCN and others for developing the draft outline of the SBSTTA 15 document on ways and means of supporting ecosystem restoration;
- (b) Conducted desk top research and collected information, available tools, best practice case studies and available practical guidance on ecosystem restoration; and
- (c) Prepared the draft document UNEP/CBD/SBSTA/15/4 on “ways and means to support ecosystem restoration” for peer review¹.

Decision IX/3 and X/17: Global Strategy for Plant Conservation

58. In response to these decisions, the Secretariat:

- (a) Commissioned Botanic Gardens Conservation International, through a small-scale funding agreement, to undertake a number of activities requested in decisions IX/3 and X/17;
- (b) Liaised with the Chair of the Global Partnership for Plant Conservation on the preparations for the International Conference on a Global Partnership for Plant Conservation – Supporting the worldwide implementation of the Global Strategy for Plant Conservation (Missouri Botanical Garden, St. Louis, USA, 5-7 July 2011);
- (c) Issued notification 2011-087, inviting Parties to nominate participants for the meeting of the Liaison Group for the Global Strategy for Plant Conservation (St. Louis, USA, 8-9 July 2011) and to nominate national focal points for the Strategy; and
- (d) Continued with the preparations for the Liaison Group meeting, including logistics, organization and programmatic issues.

Decision X/20: Cooperation with other Conventions and International Organizations and Initiatives

59. In response to this decision, the Secretariat:

- (a) Attended the launch of the Task Force on Wildlife Disease co-chaired by FAO and UNEP-CMS , on 27-28 June 2011, and also the One Health meeting by FAO on 29-30 June 2011, in order to discuss impacts of disease at the ecosystem, wildlife, livestock and people interface, in the context of the 'One Health' principles; and
- (b) Attended a meeting of members of the Scientific and Technical Review Panel of the Ramsar Convention, Wallingford, UK, 30 June – 01 July; topics discussed included undertaking further

¹ On 5 and 6 June, the Bureau of the SBSTTA met at the SCBD. Among the items on its agenda, the Bureau reviewed outlines and first drafts of the documents and provided comments/suggestions. These comments/suggestions have been taken into consideration in the drafting of all the documents referred to in this Quarterly Report and submitted for peer-review (for more specific information, please see minutes of the meeting on the website).

scientific work under the Joint Work Plan with the Ramsar Convention and with regards to the Strategic Plan for Biodiversity (2011-2020) and the Aichi Biodiversity Targets.

- (c) Continued interacting with the Global Environmental Change and Human Health (GECHH) programme of UNU-INWEH, in preparation for (i) a manuscript for the volume on “The relationship between water, health and global environmental change, as interpreted through five key MEAs”, and the GECHH 2011 Symposium on “Global Environmental Change and Human Health: Healthy Forests for Life”, to be held in September in Italy;
- (d) Is collaborating with FAO on the proceedings of the symposium held at FAO on November 2010 on Sustainable Diets;
- (e) Continued to interact with Conservation of Arctic Flora and Fauna (CAFF) in preparation for the SBSTTA document on Arctic Biodiversity;
- (f) Participated in the Sibthorp Trust Seminar on Ecosystem Management held on 14 and 15 April 2011 at the Royal Agricultural College, Cirencester, UK. The objective of the seminar was to advance the arguments for integrated and holistic solutions to ecosystem management in order to change existing mindsets and to identify changes needed in policy and practice. Limited progress has been made on integration of the ecosystem approach since its adoption by CBD Parties in 2000 and despite the development of operational guidelines in 2004. At this seminar, the Secretariat delivered a presentation on “Barriers to the Application of the Ecosystem Approach: Concerns Expressed by Governments and Institutions.” In concluding the seminar, participants developed a series of key messages for different audiences. Communication, including a good understanding of the principles, was found as the most important barrier to the wide adoption of ecosystem approach;
- (g) Participated in the meeting on “the International Protection of Landscapes” co-organized by UNESCO and the Italian Ministry of Agriculture, Food and Forestry on 18 April 2011. The purpose of the meeting was to inform delegations of Members States to UNESCO about landscape protection and exchange views both formally and informally on a possible International Convention on Landscape. The Secretariat made a presentation on “Landscape protection in the context of the Convention on Biological Diversity” and took the opportunity to inform the meeting about the CBD provisions and work on landscapes, as well as the relevant targets of the Strategic Plan for Biodiversity 2011-2020 and the importance of integrating the landscape approach in NBSAP planning and revisions; and
- (h) Participated in a stakeholder consultation and technical workshop at the invitation of the University of Guyana from 21 to 23 June. The University of Guyana, with support from the President of Guyana is designing a centre of excellence for studies in biodiversity and low carbon development, to advance the Low Carbon Development Strategy that the country is adopting for greening its economy.

Decision X/23: Multi-Year Plan of Action for South-South Cooperation on Biodiversity for Development

60. In response to this decision, the Secretariat:

- (a) Organized, in collaboration with the National Institute of Biological Resources (NIBR) of Korea, the Third Expert Meeting for South-South Cooperation on Biodiversity for Development in Incheon City, Republic of Korea, on 18-20 May 2011. The objective of the event was to validate the process and roadmap for the adoption of the Multi-Year Plan for South-South and triangular cooperation at the eleventh meeting of the Conference of the Parties, determine best practices on modalities of South-South cooperation, and contribute to the implementation of the Strategic Plan

for Biodiversity 2011-2020 adopted at COP 10. Participants were also invited to identify potential regional and South-South collaborative partnerships with international organizations, United Nations bodies, NGOs and centres of excellence, and share their experiences on South-South and triangular cooperation initiatives and projects; and

- (b) Organized, at the margins of the Brazzaville Summit of Heads of State and Government of the Three Forest Basins of the Congo, Amazon and Borneo-Mekong, on 2 June 2011 in the Republic of Congo, a side event on South-South and triangular cooperation (SSC) on biodiversity, showcasing best practices and the Multi-Year Plan of Action for South-South Cooperation on Biodiversity for Development. More than 64 participants included delegates from the Congo, RDC, Cameroon, Gabon, Germany, US, France, media representatives from Reuters and BBC, NGOs and executives from ITTO, UNESCO and IUCN.

Decisions VII/4, VIII/20, IX/19 and X/28: Biological Diversity of Inland Waters

61. In response to these decisions, the Secretariat:

- (a) Finalised draft documents, posted for peer-review on 20 June, on implications of changes in the water cycle for the programmes of work (UNEP/CBD/SBSTTA/15/8); ways and means to address inland water biodiversity needs in coastal areas (UNEP/CBD/SBSTTA/15/9); and, the status of the River Basin Initiative (UNEP/CBD/SBSTTA/15/10);
- (b) Organised, in collaboration with the Ramsar Secretariat, a planning meeting for the working group on biodiversity and the water cycle to be held back-to-back with the Ramsar STRP members meeting, Wallingford, UK, 02-03 July; and
- (c) Edited the final draft of the Fourth World Water Development Report.

Decision X/29: Marine and Coastal Biological Diversity

62. In response to this decision, the Secretariat:

- (a) Installed within CBD website, through the assistance of IT colleagues, a prototype repository and information sharing mechanism, submitted by a consultancy team, for scientific and technical information and experience related to the application of the scientific criteria on the identification of EBSAs in annex I of decision IX/20 (paragraph 39, Decision X/29);
- (b) Undertook a peer review by experts in relevant UN/international/regional organizations, including UNDOALOS, FAO, IOC/UNESCO, ISA, UNEP, UNEP-WCMC, GOBI and OBIS, of a prototype repository and information sharing mechanism, described above (paragraph 39, Decision X/29);
- (c) Reviewed and revised a draft training manual and modules, submitted by a consultancy team, which can be used to meet the capacity building needs for identifying ecologically or biologically significant marine areas using the scientific criteria in annex I to Decision IX/20 (paragraph 40, Decision X/29);
- (d) Continued to collaborate, by providing relevant scientific and technical guidance, with OSPAR/NEAFC and UNEP-Mediterranean Action Plan for the Barcelona Convention regarding their organization of EBSA regional workshops (paragraph 36, Decision X/29) and submission of EBSA reports;

- (e) Continued to collaborate with SPREP and Brazil/Caribbean Environment Programme on hosting EBSA regional workshops (paragraph 36, Decision X/29);
- (f) Undertook consultation meetings with representatives of Intergovernmental Oceanographic Organization/UNESCO in Paris (16 May) and Montreal (6 June) on areas of collaboration in implementing Decision X/29, in particular regarding the organization of joint expert review process on the impacts of ocean acidification on marine biodiversity, as called for in paragraph 66, Decision X/29;
- (g) Undertook consultation with experts on ocean acidification at Ocean Acidification Reference User Group regarding the organization of joint expert review process on the impacts of ocean acidification on marine biodiversity, as called for in paragraph 66, Decision X/29;
- (h) Compiled background information, through the assistance of an intern, for the organization of CBD expert workshop on marine protected areas, as called for in paragraph 76, Decision X/29;
- (i) Reviewed draft voluntary guidelines, submitted by a consultancy team, for the consideration of biodiversity in environmental impact assessments (EIAs) and strategic environmental assessments (SEAs) in marine and coastal areas, as called for in paragraph 50, Decision X/29;
- (j) Provided technical inputs to FAO, UNEP and GEF Secretariat on the development of PIFs for the GEF programme on areas beyond national jurisdiction;
- (k) Developed a programme, sent invitations, and made travel and logistics arrangements for the Sustainable Ocean Initiatives (SOI) programme development meeting (2 -4 August 2011, Kanazawa) and SOI Special Symposium on Rebuilding Eastern Japan following Earthquake and Japan (5 August 2011, Tokyo), in collaboration with Ministry of the Environment of Japan and UNU-IAS-Kanazawa Operating Unit;
- (l) Attended the First International Planning Meeting for EXPO 2012 Yeosu Korea, held in Seoul, Korea, from 5 to 7 April 2011;
- (m) Initiated, in collaboration with GEF-STAP, UNEP and TNC, the preparation of a draft report on compiling and synthesizing information on experiences and use of marine spatial planning, as called for in paragraph 75, Decision X/29;
- (n) Attended the Fourth meeting of the International Ocean Acidification Reference User Group (12 May 2011, Brussels) and the Public Day Event of European Project on Ocean Acidification (13 May 2011, Brussels);
- (o) Attended the *Ad Hoc* Open-ended Informal Working Group to study issues relating to the conservation and sustainable use of marine biological diversity beyond areas of national jurisdiction (UN HQ, NY, USA, 31 May - 3 June 2011) and organized a CBD Side Event on EBSA Process and EIA Guidelines in collaboration with Global Ocean Biodiversity Initiative (31 May 2011);
- (p) Attended the Ninth meeting of the UN-Oceans (17 June 2011, UNDP HQ, New York);
- (q) Attended the Twelfth meeting of the UN Open-ended Informal Consultative Process on Oceans and the Law of the Sea (20 - 24 June 2011, UN HQ, New York);
- (r) Attended the Meeting of Rio+20 Friends of Oceans, organized by the Global Forum of Oceans, Coasts and Islands (20 June 2011, New York); and
- (s) Attended the Meeting of the *Ad Hoc* Working Group of the Whole to oversee and guide the Regular Process for global reporting and assessment of the state of the marine environment, including socio-economic aspects (27 - 28 June 2011, UN HQ, New York).

Decisions IX/18 and X/31: Protected Areas

63. In response to these decisions IX/18 and X/31, the Secretariat carried out the following activities:
- (a) Held a series of conference calls with identified sub-regional technical co-ordinating centres on the *modus operandi* of enabling sub-regional technical support networks for facilitating implementation of PoWPA and for achieving Target 11 of the strategic plan for biodiversity;
 - (b) Held discussions with IUCN – WCPA on the possible collaboration for organizing the sub-regional workshops;
 - (c) Compiled information on GEF 5 funding allocations and utilization of GEF 4 funding including projects accessed at sub-regional level for use in the sub-regional workshops, in pursuance of paragraph 10 (b);
 - (d) Compiled information on the country-wide status of terrestrial and marine protected areas based on the information available in the MDG indicator data set provided by the WDPA;
 - (e) Organized a planning meeting on capacity building for national implementation of the PoWPA with identified sub-regional coordinators, PoWPA Friends, UNDP, and UNEP on the Isle of Vilm, Germany from 1-5 May 2011, with the support of the Netherlands and in collaboration with the IUCN Global Programme. Nine sub-regions rolled out capacity building action plans to 2014 to showcase implementation of the PoWPA, Target 11 and other targets of the Strategic Plan for Biodiversity where protected areas could contribute in COP 12. Sub-regional coordinating agencies agreed to integrate this process with other initiatives to sustain capacity development of park managers and rangers using *inter alia* e-learning modules and course rooms with mentors. REDPARQUES - the PA managers' network in LAC countries and a sub-regional coordinating agency in Latin America advised it will use the Spanish modules in their regular PA manager training. Similarly, the Wildlife Institute of India which conducts training for South Asian countries will use the modules as a stand alone course; and
 - (f) Organized the West Africa sub-regional capacity building workshop from 22 to 26 May 2011 in Dakar, Senegal in parallel with the Regional Workshop for West Africa on Updating National Biodiversity Strategies and Action Plans (NBSAPs), with the generous financial assistance of the European Union, and the Governments of the Netherlands and Belgium and in collaboration with the Government of Senegal, the Regional Programme for Conservation of the Coastal and Marine Zone of Africa (PRCM) and the PoWPA Friends Consortium. Participants discussed presentations and took part in group exercises to achieve the workshop objectives to (i) provide an overview and conduct needs assessment of capacity building requirements, tools and approaches to implement the PoWPA, Decision X/31 adopted at COP 10 and to achieve Target 11 and other targets of the Strategic Plan for Biodiversity; (ii) strengthen the skills and knowledge of protected area functionaries and others who implement the PoWPA through an exchange of experiences, sharing of tools, available resources and capacity-building in: (a) protected areas and climate change adaptation and mitigation, including integration of protected areas into wider land- and sea-scapes, (b) developing or revising national action plans for implementation of the PoWPA, (c) marine protected areas (d) governance, (e) valuing protected area costs and benefits including their ecosystem services; (iii) develop/update action plans for implementing the PoWPA; and (iv) create awareness about funding opportunities available under the GEF 5 biodiversity portfolio including funding for enabling activities for revising NBSAPs. The workshop was attended by 16 government nominated experts from each country in West Africa and two representatives from indigenous and local communities; and

- (g) Contributed a presentation on COP10 decisions on protected areas and an introduction to the e-learning modules on protected areas for the Board members and students of the Klagenfurt University programme on Management of Protected Areas, Austria.
64. Under the *aegis* of CBD LifeWeb Initiative:
- (h) Supported facilitation and profiling of two funding matches amounting to a total of approximately \$US 10 million: over €5 million from Germany and a set of private foundations to safeguard biodiversity in Armenia and Georgia (www.cbd.int/doc/press/2011/pr-2011-04-12-caucusus-en.pdf); and €3.1 million from the European Union to secure livelihoods through forest conservation in the Colombian Amazon (www.cbd.int/images/lifeweb/press/PressRelease-2011-03-30-eu-lifeweb.pdf);
- (i) Received and consulted with Parties and other partners on 4 new Expressions of Interest for financial cooperation to strengthen implementation of the PoWPA in 9 different countries (Burkina Faso, Cape Verde, Cote d'Ivoire, Guinea, Guinea Bissau, Mauritania, Senegal, Sierra Leone, and The Gambia). For more information, please see <http://www.cbd.int/lifeweb/search/>;
- (j) Shared an overview of all current Expressions of Interest with over 100 representatives of public and private cooperation actors. For more information, please see <http://www.cbd.int/lifeweb/search/>; and
- (k) Co-hosted the first meeting of the Financing Roundtable for West African Protected Areas, on 27 May 2011, in Dakar, Senegal, in collaboration with the Government of Senegal and the West African Marine and Coastal Conservation (PCRM). For more information, please see <https://www.cbd.int/lifeweb/donors/roundtables/westafrika/>.

Decision X/32: Sustainable Use of Biodiversity

65. In response to this decision, the Secretariat:
- (a) With financial support from the European Commission, organized, in collaboration with the CITES Secretariat, CIFOR, FAO, COMIFAC, CMS, CIC, IUCN, UNEP-GRASP, and TRAFFIC a joint meeting of the CBD Bushmeat Liaison Group and the CITES Central Africa Bushmeat Working Group in Nairobi, Kenya, 7-10 June 2011. The meeting resulted in revised recommendations of the CBD Liaison Group, as well as recommendations for small-scale alternatives to unsustainable bushmeat harvesting, for consideration at SBSTTA 15; and
- (b) Participated in a symposium organised by the European Union on CITES and community-based conservation in developing countries, held in Vienna from 17 to 2 May, and presented an invited paper on "Harmonizing policy support for CBNRM amongst selected MEAs".

Decisions VI/22, IX/5, X/33: REDD-plus; and X/36: Forest Biodiversity

66. In response to these decisions, the Secretariat:
- (a) Participated in the launch of the 'GLOBE Legislator Forest Initiative', an activity led by the Global Legislators Organisation with support of the UN-REDD Programme to involve Parliamentarians in the efforts to reduce emissions from deforestation and forest degradation (REDD), in London, 9 and 10 May 2011;
- (b) Launched an online consultation on the draft programme document joint ITTO/CBD Collaborative Initiative, open for comments until 31 August 2011 at www.cbd.int/forest/;

- (c) Celebrated the International Day for Biological Diversity (IBD) with an event held at the Biosphere of Montreal, on 20 May 2011;
- (d) With financial support from the governments of Belgium and Norway, developed and launched (on 22 May) the forest biodiversity module of the TEMATEA tool, available at www.tematea.org, and incorporated peer-review comments until 30 June;
- (e) Participated in the Summit of Three Rainforest Basins, organized by the government of the Republic of Congo, in Brazzaville, 29 May to 3 June;
- (f) Organized a session on 'Forests: Investing in the Future' at the 17th Annual Conference of the International Economic Forum of the Americas – Conference of Montreal, Montreal, Canada, 7 June 2011;
- (g) Participated in UNFCCC SBSTA 34, held in Bonn, Germany, from 6 – 16 June 2011, and organized a REDD-plus and Biodiversity 'mini-workshop', on 13 June 2011 at the margins of the UNFCCC SBSTA 34 in which representatives from 15 Parties and organizations presented short updates on their relevant activities on REDD-plus biodiversity safeguards;
- (h) Organized a UNFCCC SBSTA 34 side event on 'Biodiversity Safeguards of REDD-plus' on 14 June 2011 in collaboration with the UN-REDD Programme, attended by more than 100 participants;
- (i) Participated in the Global Forest Resources Assessment (FRA) Advisory Group meeting, convened by FAO, in Rome, 20-22 June, with a view to prepare the launch of the remote sensing study for FRA 2010, and preparations for FRA 2015;
- (j) Participated in a retreat of the Collaborative Partnership on Forests, held in Rome, Italy, from 23 – 24 June 2011. Discussions at the retreat focused inter alia on collaboration on forest in the context of the green economy, in preparation for the UN Conference on Sustainable Development (Rio+20) in 2012;
- (k) Published CBD Technical Series No. 59 on 'REDD-plus and Biodiversity' available at <http://www.cbd.int/doc/publications/cbd-ts-59-en.pdf>; and
- (l) Published the fifteenth issue of the REDD-plus and Biodiversity e-Newsletter, available at <http://www.cbd.int/forest/newsletters/redd-15.htm>.

Decision X/33: Biodiversity and Climate Change

67. In response to this decision, the Secretariat:

- (a) Participated on the 11 April, 2011 in the eleventh meeting of the Joint Liaison Group of the Rio Conventions;
- (b) Participated on the 12 – 12 April, 2011 in a panel discussion on ecosystem based approaches to adaptation at the European Conference on Biodiversity and Climate Change;
- (c) Attended on the 14 – 15 April, 2011 the Meeting of the ENCA-Interest group on climate change and adaptation;
- (d) Attended, delivered a statement and held an exhibit at the thirty-fourth session of the Subsidiary Bodies of the United Nations Framework Convention on Climate Change the 6 – 10 June, 2011;
- (e) Convened on 10 June, 2011 a mini-workshop on biodiversity and climate-related geo-engineering at the margins of the Subsidiary Body meetings of the United Nations Framework Convention on Climate Change;

- (f) Convened on 29 June - 1 July 2011 the Liaison Group Meeting on Climate-Related Geo-Engineering as it relates to the Convention on Biological Diversity;
- (g) Finalized a joint proposal on pilot activities to promote synergies among the Rio Conventions at the national level with the Global Environment Facility;
- (h) Delivered a statement on biodiversity and climate resilience to the GEF STAP; and
- (i) Published a brochure on the Rio Conventions Pavilion covering events in 2009 as well as plans for 2011 and 2012.

Decision X/35: Biodiversity of Dry and Sub-humid Lands

68. In response to this decision, the Secretariat:

- (a) Finalized a Memorandum of Understanding with the United Nations Convention to Combat Desertification;
- (b) Delivered a statement on the 13 June to the first Africa Drylands Week on the links between dry and sub-humid lands biodiversity and the new Strategic Plan for Biodiversity 2011-2020;
- (c) Began drafting, in collaboration with the FAO and UNCCD, a report on biodiversity and water in drylands; and
- (d) Published a brochure on the Rio Conventions Pavilion covering events in 2009 as well as plans for 2011 and 2012.

Decisions IX/1, IX/2, and X/34: Agricultural Biodiversity

69. In response to these decisions, the Secretariat:

- (a) Finalised in collaboration with the FAO, for formal approval, the new joint work plan between the CBD and the Commission on Genetic Resources for Food and Agriculture .
- (b) In addition, the Secretariat participated in consultations organised by EcoAgriculture Partners on 28 and 29 to organise the terms of reference of the Working Groups that will be established during the Conference and to prepare documentation for the forthcoming Conference on “Landscapes for People, Food and Nature: An International Initiative for Dialogue, Learning and Action”

Decision IX/4 and X/38: Invasive Alien Species

70. In response to these decisions, the Secretariat:

- (a) Reported on the second meeting of the Inter-agency Liaison Group on Invasive Alien Species from 14 to 15 February 2011 at the World Trade Organization in Geneva, Switzerland to further strengthen collaboration between the relevant organizations in the area of capacity development regarding the invasive alien species strategy;
- (b) Reported on the Ad Hoc Technical Expert Group and organized a meeting on addressing the risks associated with the introduction of alien species as pets, aquarium and terrarium species, and as live bait and live food from 16 to 18 February 2011 at the International Environment House in Geneva, Switzerland; and
- (c) Prepared documents for SBSTTA15, UNEP/CBD/SBSTTA/15/6, UNEP/CBD/SBSTTA/15/INF/1.

Decision IX/22 and X/39: Global Taxonomy Initiative

71. In response to these decisions, the Secretariat:
- (a) Organized the eleventh meeting of the Coordination Mechanism for the GTI in Montreal from 3 to 4 June 2011;
 - (b) Prepared the standard format for taxonomic needs assessment;
 - (c) Prepared a pre-session document for SBSTTA15, UNEP/CBD/SBSTTA/15/5, and submitted it for peer-review; and
 - (d) Participated in the Board meeting of BIONET on 15 and 16 May, held in Egham, United Kingdom.

ACCESS AND BENEFIT SHARING

Decision X/1: Access to Genetic Resources and the Fair and Equitable Sharing of Benefits Arising from their Utilization

72. During this period, the Secretariat organized an Expert Meeting on the Modalities of Operation of the Access Benefit-Sharing Clearing-House, from 11-14 April 2011, in Montreal, Canada. This meeting was held thanks to the generous financial contribution from the European Commission. The experts considered several key factors regarding the establishment of the Access and Benefit-sharing Clearing-House in order to assist the Open-ended Ad Hoc Intergovernmental Committee for the Nagoya Protocol (ICNP) on this issue;

73. As per Decision X/1, the First Meeting of the Open-ended Ad Hoc Intergovernmental Committee for the Nagoya Protocol on ABS (ICNP 1) was held from 5-10 June 2011, in Montreal, Canada. The ICNP considered issues as set out in their work plan contained in Annex II of Decision X/1. The ICNP also elected a new Co-Chair and 10 Bureau members for the ICNP.

74. For these meetings, as per usual practice, the Secretariat carried out all logistical arrangements, prepared the necessary documents and serviced the meetings.

75. As part of the GEF-Medium-sized project to support the early ratification and entry into force of the Nagoya Protocol, the Secretariat organized a Capacity-building Workshop on Access and Benefit-sharing, on 4-5 June 2011, in Montreal, Canada, in collaboration with the Secretariat of the ITPGRFA. In addition, the following briefings on the Nagoya Protocol were carried-out:

- Permanent Missions to UNESCO held on 7 April 2011 in Paris, France
- Annual Conference of the Union for Ethical BioTrade held on 5 May in Paris, France
- Tenth Session of the United Nations Permanent Forum on Indigenous Issues (UNPFII) held on 16-27 May 2011 in New York, USA
- Workshop on Access and benefit-sharing and traditional knowledge: the Nagoya Protocol and the way ahead organized by the ABS Capacity Development Initiative for Africa held on 21-22 May, 2011 in New York, USA
- Legal and Regulatory Annual Conference of the Personal Care Products Council held on 17-20 May 2011 in San Francisco, USA

- Environmental Commission, Assemblée Nationale du Sénégal held on 24 May 2011 in Dakar, Sénégal
- East African Legislative Assembly held on 27 May 2011 in Arusha, Tanzania
- Fourth meeting of the Ad Hoc Open-ended Informal Working Group to study issues relating to the conservation and sustainable use of marine biological diversity beyond areas of national jurisdiction of the UN Law of the Sea held on 31 May - 3 Jun 2011 in New York, USA
- Meeting of Foreign Affairs Ministers of the African Union held on 24 June 2011 in Malabo, Equatorial Guinea
- Committee on Agriculture, Livestock and Environment of the Parliament of Rwanda held on 27 June, 2011 in Kigali, Rwanda
- Meeting of Heads of States of the Africa Union held on 27 June – 1 July 2011 in Malabo, Equatorial Guinea

76. The Secretariat attended the signing ceremony for the Nagoya Protocol held at the UN Headquarters in New York on 11 May 2011.

77. The Secretariat participated in the Steering Committee meeting for the ABS Capacity Development Initiative for Africa held on 12-13 June 2011 in Quebec City, Canada.

SOCIAL ECONOMIC AND LEGAL MATTERS

Decision X/44: Incentive measures

78. Further implementing the work plan for organizing regional workshops on valuation and incentives measures as requested by decisions X/44 and X/2 (Quarterly Report 52 refers), the Secretariat co-organized, together with the Ministry of Environmental Protection of the People's Republic of China, at two-days economic cluster at the Regional Workshop for South, East and Southeast Asia on Updating National Biodiversity Strategies and Action Plans (NBSAPs) which incorporated work on valuation and incentive measures. The meeting, which was held in the city of Xi'an, China, from 9 to 16 May 2011, to strengthen regional and national capacity with regard to the revision and updating of NBSAPs in line with the outcomes of the tenth meeting of the Conference of the Parties to the Convention on Biological Diversity (COP 10), in particular the Strategic Plan for Biodiversity 2011–2020, and to support countries in making use of the study on The Economics of Ecosystems and Biodiversity (*TEEB*). The economic cluster gave particular emphasis to the implementation of Aichi targets two and three of the Strategic Plan.

79. The Secretariat attended the sixth meeting of the United Nations Committee of Experts on Environmental-Economic Accounting, held at the United Nations Secretariat in New York from 15-17 June 2011. The Committee is tasked to steer the ongoing revision of the current version of the United Nations System of Integrated Environmental and Economic Accounts (UNSEEA 2003), with a view to have the revised version of the SEEA adopted as an international standard by the United Nations Statistical Commission in 2012. Strengthening ecosystem accounting is part of the revision work programme, and the present meeting considered how to move ahead with this item. Upon invitation of the United Nations Statistics Division, the Secretariat briefed the meeting on pertinent decisions of the Conference of the Parties, including the integration of biodiversity values into national accounts as per Aichi target 2 of the Strategic Plan and paragraphs 3 (b) to (d) of Decision X/2, as well as ongoing work under the Convention of relevance for this element of the SEEA revision, in particular of the Ad hoc Technical Expert Group on Indicators for the Strategic Plan for Biodiversity 2011-2020.

Decision X/16 Technology Transfer and Cooperation

80. In the period under review, the Secretariat initiated implementation of paragraph 2 (b) of decision X/16, which requested dissemination and analysis of information received on activities currently being undertaken by international, regional or national organizations and initiatives, including sectoral organizations and initiatives, which support, facilitate, regulate or promote technology transfer and scientific and technological cooperation of relevance to the Convention, including posting information received on a dedicated website and adapting the existing online database on technology transfer and cooperation with a view to achieve full searchability of the information received.

Decision IX/13: Article 8(j) and Related Provisions

Capacity Building

81. The Secretariat also facilitated the participation of representatives of ILCs in sub-regional NB-SAPs workshops, as well as Protected Areas workshops, held during this period. The 8(j) team also contributed to the Capacity building workshop on the Nagoya Protocol on 5th and 6th June as well as the facilitation of the first meeting of the ICNP.

Official Meetings of the Convention

82. The Secretariat convened and facilitated the international meeting on 10(c) (31 May to 3 June 2011), as well as prepared for the expert group meeting for local community representatives (14 to 16 July 2011) and the 7th meeting of the WG 8(j).

Official meetings of the United Nations

83. The Secretariat was represented at the 10th session of the United Nations Permanent Forum on Indigenous Issues from 16-18 May 2011, as well as the UNDP Equator Initiative Board Meeting from 19-20 May, 2011, at United Nations Headquarters in New York.

OUTREACH AND MAJOR GROUPS

Children and Youth / Non-governmental organizations

The Green Wave

84. On 22 May 2011, as part of the International Day for Biodiversity and under the theme ‘forest biodiversity’, over 400 groups of children and youth from 48 countries learned and took action to protect biodiversity by planting or caring for trees. Along with other very active countries in The Green Wave, Singapore, Brunei Darussalam, Puerto Rico, Japan, the Philippines, Canada, New Zealand, Malaysia, Brazil, India, Nicaragua and the USA contributed to the involvement of children and young people in the implementation of the CBD.

Decision X/18: Communication, education and public awareness and the International Year of Biodiversity

International Day for Biodiversity

85. In honour of the International Year of Forests, the International Day for Biological Diversity 2011 (IDB) focused on the important role that forests have for communities around the world. Global celebrations were held to help raise awareness on the importance of forests to human well-being.

86. To date, 38 Parties to the CBD reported to the Secretariat on their IDB activities: Argentina, Armenia, Australia, Bangladesh, Belarus, Bolivia, Bulgaria, Canada, China, Colombia, Congo, Dominica, Dominican Republic, France, Germany, Hungary, India, Indonesia, Iran, Ireland, Italy, Japan, Kenya, Mexico, Nepal, Pakistan, Panama, Portugal, Russian Federation, Swaziland, Thailand, The Former Yugoslav Republic of Macedonia, Tunisia, Turkey, Uganda, United Arab Emirates, Uruguay, United Kingdom of Great Britain and Northern Ireland and Zimbabwe.

87. The Secretariat of the Convention on Biological Diversity joined the rest of the world and celebrated the Day with an event held at the Montreal Biosphere. Co-organized by Environment Canada, the Secretariat of the Convention on Biological Diversity and the Canadian Environment Network (RCEN) Over 100 guest representing the Diplomatic Corps, local and international organisations were privy to keynote addresses given on the importance of forests and the dangers affiliated with neglecting this duty. The event culminated with a tree planting ceremony lead by the Honorary Ambassador of the Green Wave Mr. Jean Lemire. Guests were then given a tour of the Montreal Biosphere.

Launches of the United Nations Decade on Biodiversity

88. Celebrations were held around the world for the launching of the United Nations Decade on Biodiversity and information materials became available for the world to use.

89. A website for the decade was established at www.cbd.int/2011-2020. Materials for celebrations and records of activities are available on the pages including the message of the United Nations Secretary-General, a commemorative video, fact sheets and the official logo of the UNDB, as approved by the Department of Public Information.

90. The Republic of Korea celebrated the International Day for Biological Diversity in Sangju City on 20 May 2011 with the participation of more than 1,000 people and an address by the President of Korea.

91. The Asia and Pacific regional launch for the decade was held in New Delhi, India on 23 May 2011, featuring the participation of the Minister of Environment of India, and the Ministers of Environment of Afghanistan and Bhutan, as well as the Executive Secretary to the Convention on Biological Diversity.

92. The United Nations Decade on Biodiversity was launched in South-East Asia by the President of the Philippines, Benigno S. Aquino III, who also issued a Presidential Proclamation declaring a National Decade. The event took place on 30 May 2011 at the Malacanang Palace with the participation of diplomats from Brunei Darussalam, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Singapore, Thailand and Viet Nam; high-level government officials; and representatives of media, conservation organizations and the business community.

Marketing Conference of the World Association of Zoos and Aquariums, Granby, Canada, 13-16 June 2011

93. The Secretariat participated in the conference that brought together marketing and communications experts from zoos from around the world. In a number of sessions, participants explored the ways that zoos could contribute to the awareness raising goals of the CBD in general and the United Nations Decade on Biodiversity in particular. Participants drafted a resolution, to be advanced to the general meeting of the

WAZA in October of 2011 that declares the support of members to the decade, and calls upon them to be involved in articulating target 1 and the awareness indicators.

IMPLEMENTATION AND TECHNICAL SUPPORT

Decision IX/8: National Biodiversity Strategies and Actions Plans

94. By end of June 2011, a total of 173 countries have developed their national biodiversity strategies and action plans (NBSAPs). Among them, 37 countries have revised their NBSAPs. In addition, 11 countries are developing their NBSAPs. In regard to the latter, the Dominican Republic has recently advised the Secretariat that their NBSAP is close to being finalized.

95. GEF funds are available to eligible Parties for updating and revising the NBSAP (in line with the Strategic Plan for Biodiversity 2011-2020), as well as for the preparation of the Fifth National Report and CHM activities (usually undertaken as a part of the process of updating and revising the NBSAP).

Decision X/2: Strategic Plan for Biodiversity 2011-2020

96. As indicated in the previous Quarterly Report, one of the most important follow-up activities to implement the Strategic Plan for Biodiversity 2011-2020 is the conduct of a series of regional and sub-regional workshops on updating and revising NBSAPs (in line with the Strategic Plan for Biodiversity 2011-2020) during 2011 and 2012. Since the first workshop was held in Kasane, Botswana, from 14 to 20 March 2011, for countries of Southern Africa, the Secretariat has conducted another six workshops during this reporting period (April-June 2011)². Details are provided below.

- (a) The second workshop in the series was held on the Isle of Vilm, Germany, from 15 to 19 April 2011, for European countries. The workshop was hosted and co-sponsored by the by the Government of Germany and the Government of Japan through its Japan Biodiversity Fund to support implementation of the CoP-10 Nagoya Outcomes. The meeting was attended by 44 participants from 25 countries, with resource persons from different institutions, including IUCN-CEC, UNDP Regional Office for Central Europe, UNEP-WCMC, and the Convention on Migratory Species (CMS).
- (b) The third workshop was held in Beirut, Lebanon, from 2 to 7 May 2011, for countries of North Africa and the Middle East. The workshop was hosted and co-sponsored by the Ministry of Environment, Lebanon, the Economic and Social Commission for West Asia and the Government of Japan through its Japan Biodiversity Fund to support implementation of the CoP-10 Nagoya Outcomes. The meeting was attended by 32 participants from 17 countries, with additional resource persons from different institutions, including Lebanon American University of Beirut (Lebanon); National Institute of Oceanography and Fisheries (Egypt), Tamunt n iffus (Morocco), SPNL (Lebanon), IUCN-CEC, UNEP-ROWA, League of Arab States, and the Convention on International Trade in Endangered Species (CITES).

² Note: The Secretariat took the opportunity to organize another workshop for 14 Pan-European countries in Geneva, from 30 June to 1 July 2011, back-to-back with the Council Meeting for Members of the Pan-European Biological and Landscape Diversity Strategy (PEBLDS). This workshop was not a part of the official calendar of workshops. It was condensed into two days and covered revision of NBSAPs, the Strategic Plan for biodiversity, and also addressed "Synergies among biodiversity-related conventions".

- (c) The fourth workshop was held in Xi'an, China, from 9 to 16 May 2011, for countries of East, South and Southeast Asia. The workshop focused on assisting countries in the region to develop national targets in line with the framework of the Strategic Plan for Biodiversity (2011-2020), and to strengthen capacities for the updating or revising, implementation, monitoring and communication of national biodiversity strategies and action plans as well as mainstreaming biodiversity into national and local planning processes. The workshop also addressed how economic valuation of biodiversity and ecosystem services and the application of incentive measures can be used to communicate and mainstream biodiversity in relevant sectors such as agriculture, forestry, mining, transport, and energy. Presentations were made on the work undertaken by the initiative on the Economics of Ecosystems and Biodiversity (TEEB), on the experiences of Japan in undertaking valuation and applying incentive measures, and on China's recent work in integrating ecosystem services into land use planning as well as into national environmental accounting.
- (d) The fifth workshop was held in Dakar, Senegal, from 22 to 26 May 2011, for countries of West Africa. The workshop was convened by the Secretariat of the Convention on Biological Diversity, in collaboration with the Ministry of Environment and Nature Conservation of Senegal and the Regional Program for the Conservation of the Marine and Coastal Zones of West Africa (PRCM), and with the financial support provided by Japan and other donors. The workshop aimed at strengthening national capacities for the development, implementation, reviewing, updating, and communication of NBSAPs; helping facilitate national implementation of the Strategic Plan for Biodiversity 2011-2020; and translating the post-2010 Strategic Plan into national targets.
- (e) The sixth workshop was held in Brazzaville, Republic of Congo, from 19 to 23 June 2011, for countries of Central Africa. This workshop was organized by the Secretariat of the Convention on Biological Diversity (CBD) in collaboration with the Ministry of Sustainable Development, Forest Economy and the Environment (MSDFEE) of the Republic of the Congo. Mr Sébastien M'poussa, MSDFEE Director of the Cabinet and Mr. Kazuhiko Fujita, Chargé d'affaires of the Japanese Embassy in the Democratic Republic of the Congo were present during the opening session. Participants from Burundi, Cameroon, Chad, Democratic Republic of Congo, Central African Republic, Gabon, Equatorial Guinea, Republic of the Congo, Sao Tome and Principe, COMIFAC, IUCN, UN-REDD programme and Indigenous Local Community worked towards implementing the Nagoya Biodiversity Compact and delivered a communiqué at the end of the workshop.
- (f) The seventh workshop was held in Kigali, Rwanda, from 27 to 30 June 2011, for countries of East Africa. In parallel with the workshop, a seminar on business and biodiversity was held on the morning of 30 June, with participants from the business community and NGOs. The workshop was co-hosted and co-organized by the Rwanda Environment Management Authority and the Secretariat of the East African Community, with the financial support of the Government of Japan. The workshop was attended by participants from Burundi, Djibouti, Ethiopia, Kenya, Mauritius, Rwanda, Sudan, Uganda, and the Union of the Comoros, with representatives from indigenous and local communities and different institutions, including ICLEI, FAO, World Agroforestry Centre - ICRAF, UNEP and IUCN. The workshop provided an opportunity for countries to exchange experiences and discuss the main issues in biodiversity management in the region and how these could be addressed through the review and updating of NBSAPs. A significant portion of the workshop was dedicated to discussing the Nagoya Protocol on Access and Benefit Sharing and the modalities for early ratification. By the end of the workshop, participants gained experience with a number of new techniques that are essential to the NBSAP revision process and elaborated on their tentative roadmaps for NBSAP revision.
- (g) Serviced the AHTEG on Indicators for the Strategic Plan for Biodiversity (High Wycombe, UK, 20-24 June 2011); and
- (h) Continued preparing guides for each of the Aichi Biodiversity Targets.

Decisions VIII/14 and X/10: National reporting

97. As of end of June 2011, 167 countries had submitted their final fourth national reports and 9 countries had sent their advanced draft reports.

98. The first project proposal for funding the preparation of the fifth national reports of 30 least developed countries has been prepared by UNEP and submitted to the GEF Council for approval. This project also includes support to these LDCs for revising their national biodiversity strategies and action plans in line with the Strategic Plan for Biodiversity (2011-2020). The second project proposal for another 30 least developed countries is being prepared by UNEP. UNDP is also developing a project proposal for funding by the GEF to support 20-30 eligible countries in the revision of their NBSAPs, the preparation of their fifth national reports and other biodiversity enabling activities.

99. A resource manual for preparing the fifth national report is being further developed, including a section on use of indicators for reporting as recommended by the AHTEG on 2020 indicators.

Decision X/3: (Strategy for resource mobilization in support of the achievement of the Convention's three objectives), Decision X/24 (Review of guidance to the financial mechanism), X/25 (Additional guidance to the financial mechanism), Decision X/26 (The financial mechanism: Assessment of the amount of funds needed for the implementation of the Convention for the sixth replenishment period of the Global Environment Facility Trust Fund), and Decision X/27 (Preparation for the fourth review of the effectiveness of the financial mechanism)

100. In response to these decisions, the Secretariat:

(a) Organized three regional workshops:

- Asia Regional Workshop on Biodiversity and Finance in support of the Nagoya Outcomes, 8 April 2011, Da Lat City, Viet Nam, with the communiqué (2011-04-12) Enhanced GEF-CBD Collaboration in Support of the Nagoya Outcomes in Asia
- South America Regional Workshop on Biodiversity and Finance, 30 April 2011, Cartagena, Colombia, with the communiqué (2011-05-02) Joint GEF-CBD Initiative to support implementation of the Nagoya Outcomes in South America
- Central America Regional Workshop on Biodiversity and Finance, 5 May 2011, Panama City, Panama, with the 2011-05-04 Statement by Mr. Ahmed Djoghlaif, CBD Executive Secretary, and the communiqué (2011-05-10) GEF-CBD Partnering to Implement the Nagoya outcomes in Central America

(b) Issued the following communications with Parties and partner organizations:

- SCBD/ITS/YX/75558 (2011-069), Submission of information concerning innovative financial mechanisms, pursuant to decision X/3, A, paragraph 8(c), 2011-04-01
- SCBD/ITS/YX/75582 (2011-070), Submission of information regarding views about the basis upon which targets are to be adopted, pursuant to decision X/3, A, paragraph 10, 2011-04-01
- SCBD/ITS/YX/75583 (2011-071), Submission of views, information and experience on the implementation of the Strategy for Resource Mobilization, pursuant to decision X/3, B, paragraph 4, 2011-04-01
- SCBD/ITS/YX/75584 (2011-072) Submission of information and views on the further development of programme priorities, pursuant to decision X/24, paragraph 5, 2011-04-01

- SCBD/ITS/YX/75599 (2011-075) Expedited Access to GEF Funding for Revising National Biodiversity Strategy and Action Plan and Submission of Fifth National Report, 2011-04-04
- SCBD/ITS/YX/75600 (2011-076) Expedited GEF Support for the Second National Report on Biosafety, 2011-04-04
- SCBD/ITS/YX/75697 (2011-079) Call for Nomination of Experts for Preparing a Report on the Full Assessment of Funding Necessary and Available for the Implementation of the Convention for the Period July 2014 to June 2018, 2011-04-08
- SCBD/BS/CG/ET/jh/74494 (2011-101) GEF Support for the Preparation of the Second National Reports on the Implementation of the Cartagena Protocol on Biosafety, 2011-05-19
- SCBD/ITS/YX/76393 (2011-114) Joint Summary of the Chairs and Highlights of the 40th GEF Council Meeting, 24-26 May 2011, 2011-06-06
- Communiqué (2011-06-03): GEF establishes the Nagoya Protocol Implementation Fund

101. The informal expert consultation on methodological guidance on indicators was organized electronically from 20 June to 1 July 2011. One third participants were from biodiversity family, another one third from statistical world, and the remaining from development community. An information document was prepared as input to the AHTEG on Indicators for the Strategic Plan for Biodiversity 2011-2020 in June 2011.

102. Interventions were made during the GEF Council meeting and GEF-CSO consultation meeting were held from 23-26 May 2011, as well as at the preceding GEF Executive Operational Committee (GEFOP).

103. The invitation to join the advisory group of the Green Development Initiative was accepted.

Decision X/26 (The financial mechanism: Assessment of the amount of funds needed for the implementation of the Convention for the sixth replenishment period of the Global Environment Facility Trust Fund)

104. On the agreement of the COP Bureau the Executive Secretary established a group of experts to conduct for a full assessment of the amount of funds that are necessary to assist developing countries and countries with economies in transition, for the sixth replenishment period of the Global Environment Facility. In this regard, a notification was issued on 8 April 2011 inviting parties to nominate experts. Based on these nominations and consultations with the Global Environment Facility Secretariat, five experts were invited to prepare the report. The first meeting of the experts was scheduled in Montreal from 25 to 26 July 2011. The GEF Secretariat is a partner in this exercise.

Decision X/6: Integration of biodiversity into poverty eradication and development

(a) Missions

The Secretariat participated in:

- The Expert Meeting on Ecosystem Accounting, on 11-13 May in Copenhagen, Denmark, co-organized by the European Environment Agency, The World Bank (Waves) and the United Nations Statistics Department.
- The Central African regional NBSAP meeting on 19-23 June in Brazzaville, Congo.
- The International Conference “Reconciling poverty eradication and quality of the Environment” upon the invitation of the co-organizers AFD and Veolia Environment Institute on 27-28 June 2011 in Paris, France. The conference aimed at presenting, illustrating and debating global and local

approaches and initiatives making it possible to reconcile poverty eradication and quality of the environment, relied on scientific, political and practitioners' viewpoints. Through concrete cases, the conference therefore aimed at promoting best practices and issuing recommendations to stakeholders and decision-makers. The Executive Secretary presented a speech in the plenary session dedicated to "Poverty eradication and biodiversity". Further details are available at: <http://www.poverty-environment.org>.

- The training workshop of Agence Française de Développement on 29 June in Marseille, France and delivered a presentation on the Convention on Biological Diversity.

(b) Expert Group Meeting

- A Research Assistant was hired on the 6 June 2011 to complete the SWOT analysis of all mechanisms, initiatives and processes for mainstreaming biodiversity and ecosystem services into poverty eradication and development. An inventory these mechanisms, initiatives and processes was initiated and the analysis of these terms is ongoing.
- The date of the Expert Group Meeting on Biodiversity for Poverty Eradication and Development was postponed to 12-14 December 2011. In preparation of the meeting, a preliminary methodology of the Expert Group Meeting was developed.
- A notification was sent to the parties for nomination of experts. In accordance with decision X-6, a selection of nominated experts has been established. A letter to the President and COP Bureau Members requesting their approval of the selection of nominated experts and observers has been written and approved by the Executive Secretary.

(c) Other activities

- Participation to the first meeting of the working group on Ecosystems Accounting Systems in Québec with the QCBS in Montreal.
- Preparation of a seminar for the annual meeting of the World Bank- International Monetary Fund on some aspects of the Strategic plan on Biodiversity 2011-2020.
- The programme developed a series of PowerPoint presentations and collective exercises for the NBSAP regional training meeting. A first series was developed on mainstreaming and economics for the West African workshop, in French and English. On this base a new series was prepared for the Central and East African regional workshop on the different Strategic Goals.
- The Programme Officer is developing a project in collaboration with Marie Khan and Kathryn Campbell for the integration of biodiversity in the UNDAF process on poverty eradication, gender equity and human health. A framework draft called 'Healthy Planet – Healthy People' was share with IIED and UNEP-WCMC to consider ways of collaboration.
- The preparation of the good practice guide on BES and food security is still in progress with Cirad.

Decision X/21: Business engagement

105. In response to this decision, the Secretariat:

- SCBD participated in the B4E Summit 2011 in Jakarta on April 27-29, 2011. The Executive Secretary sent a statement to the summit and the SCBD sat on a panel on Forest and Biodiversity Solutions for Business.
- SCBD participated in the Ontario Power Generation Workshop: Mainstreaming Biodiversity through Business Practices in Toronto on May 25, 2011. This event was co-hosted by the Canadian Business and Biodiversity Council.

- Phase 1 of the CBD's Global Platform for Business and Biodiversity website was launched at the beginning of June. The site includes a wide variety of tools and mechanisms as well as case studies. Phase 2, which will have additional features and an enhanced user interface, is planned for launch in late 2011.
- On June 27, in parallel with the East Africa NBSAP, the SCBD held a Business and Biodiversity mini-workshop in Kigali, Rwanda. This was attended by several key businessmen, NGOs and government officials. Further follow-up to this initial outreach activity is planned.
- The SCBD took part in the Ecosystems Market Conference held in Madison, Wisconsin (USA) on June 28-30. The SCBD moderated a panel on the Green Economy: How can Ecosystem Markets play a role.
- The latest edition of the Business.2010 newsletter was published in late June 2011. Distribution is proceeding.
- Work on a gap analysis of various Standards and Tools is proceeding with partner organizations. Meetings to further discuss these issues are in the planning stages for the fall.
- Further outreach events in a variety of markets are planned for the fall.

Decision X/15: Scientific and Technical Cooperation and the Clearing-House Mechanism

106. During the second quarter of 2011, activities related to the Clearing-House Mechanism (CHM) can be summarized as follows:

(a) Website development:

- A new version of the CBD website was launched on 6 June 2011. This was an important milestone in the ongoing process of maintaining a high-quality CBD website in the rapidly-changing world of Internet communications. Major enhancements include a more attractive look-and-feel, an improved navigation system, and support for the Arabic language.
- The web portal on the United Nations Decade on Biodiversity 2011-2020 (www.cbd.int/2011-2020) and a first version of the Global Platform on Business and Biodiversity (www.cbd.int/business) were also launched on 6 June 2011.
- An interoperability mechanism based on the Open Data Protocol was implemented in collaboration with the MEA Information and Knowledge Management (MEA-IKM) initiative. This mechanism automates the transfer of key CBD information (decisions, news, reports, NFP) to the InforMEA web portal (www.informe.org).

(b) Meetings:

- One of the outcomes of the First Meeting of the Intergovernmental Committee on the Nagoya Protocol (ICNP 1) held on 6-10 June 2011 in Montreal, Canada, was the recommendation on the Modalities of Operation of the Access and Benefit-sharing Clearing-House.
- The CBD Secretariat participated in the Second Steering Committee meeting of the MEA Information and Knowledge Management Initiative held on 14-16 June 2011 in Glion, Switzerland. This meeting focused on the InforMEA web portal and interoperability mechanism.
- The CBD Secretariat was also represented in the UNEP/DELIC meeting on Knowledge Management and a Topical Approach in Support of Coherent MEA Implementation held in Geneva on 17 June 2011 to discuss the Tematea issue-based modules.

BIOSAFETY

THE CARTAGENA PROTOCOL ON BIOSAFETY

**III. IMPLEMENTATION OF THE DECISIONS OF THE CONFERENCE OF THE PARTIES
SERVING AS THE MEETING OF THE PARTIES TO THE PROTOCOL**

Decision BS-V/11: Liability and Redress

107. The Secretariat organised the first regional workshop on the Nagoya – Kuala Lumpur Supplementary Protocol on Liability and Redress to the Cartagena Protocol on Biosafety” for Central and Eastern Europe in Ljubljana, Slovenia from 16 to 17 June 2011. The main purpose of the workshop was to promote awareness of the Supplementary Protocol and to identify needs and requirements by Parties with a view to expediting its early entry into force and implementation. The workshop also provided an opportunity for participants to consider issues related to the implementation of other decisions of the fifth meeting of Conference of the Parties serving as the meeting of the Parties to the Protocol (COP-MOP), in particular, decision BS-V/14 on preparation of second national reports, decision BS-V/15 on assessment and review and decision BS-V/16 on the strategic plan.

Decisions BS-IV/17 and BS-V/13: Public Awareness, Education and Participation

108. The Secretariat continued to advance the implementation of the programme of work and outreach strategy of the Protocol. Some of the activities undertaken include:

- (a) Presentation of an exhibition highlighting the UN Decade on Biodiversity on 29 May at McGill University, in collaboration with the Redpath Museum. The event, which was attended by more than 4800 visitors, contributed to raising awareness about the Protocol as one of the tools promoting the conservation and sustainable use of biodiversity;
- (b) Organization of a side event co-organised, together with the Aarhus Convention Secretariat, on 30 June 2010 in Chisinau, Republic of Moldova, during the fourth session of the Meeting of the Parties to the Aarhus Convention. More than 40 participants attended. The participants discussed practical ways to maximize synergies in the implementation of Article 23 of the Protocol (including its programme of work on public awareness, education and participation), and the Aarhus Convention’s provisions on genetically modified organisms (GMOs); and
- (c) Publication and dissemination of the COP-MOP 5 decisions booklet entitled “Setting a New Agenda”. The booklet is available at: http://bch.cbd.int/protocol/cpb_publications.shtml.

Decision BS-V/3: Capacity Building

109. The seventh Coordination Meeting for Governments and Organizations Implementing and/or Funding Biosafety Capacity-building Activities was held 4–6 April 2011 in Chisinau, Republic of Moldova. A total number of 30 participants from 16 Governments and 9 organizations attended. The discussions focussed on: (i) Capacity-building for enforcement of national biosafety regulatory frameworks; and (ii) Capacity-building needs and initiatives relating to the implementation of the Nagoya - Kuala Lumpur Supplementary Protocol on Liability and Redress. The report of the meeting is available at: <http://bch.cbd.int/protocol/meetings/documents.shtml?eventid=4730>.

110. The eighth meeting of the Liaison Group on Capacity-building for Biosafety was held 7-8 April 2011 in Chisinau, Republic of Moldova. It was attended by 18 participants from 12 countries and 6 organizations. The participants discussed and provided advice to the Executive Secretary on: (i) organization of the workshop on capacity-building for research and information exchange on socio-economic impacts of living modified organisms and other related activities; and (ii) the second comprehensive review of the Action Plan for Building Capacities for the Effective Implementation of the Protocol. The report of the meeting is available at: <http://bch.cbd.int/protocol/meetings/documents.shtml?eventid=4733>.

Decisions BS-IV/9 and BS-V/8 Handling, Transport, Packaging and Identification

111. The Secretariat organized the Central and Eastern European Regional Training of Trainers' Workshop on the Identification and Documentation of living modified organisms (LMOs) on 11-15 April 2011 in Ljubljana, Slovenia with funding from the European Union. Twenty-five participants including customs officers and related border control personnel, regulators and laboratory personnel attended the workshop. The purpose of the workshop was to introduce customs officers to: (i) the requirements of the Cartagena Protocol on Biosafety regarding the identification and documentation of LMOs; and (ii) techniques and methodologies that may be used for the implementation of these requirements. The workshop included practical laboratory sessions on the detection of LMOs, which were conducted at the Agricultural Institute of Slovenia and the National Institute of Biology, and a field-study visit to a customs-control point where participants learned about the operation of Slovenian border control and its efforts in controlling the entry of LMOs to the country.

BS-V/13: Risk Assessment and Risk Management

112. The third meeting of the Ad hoc Technical Expert Group (AHTEG) on Risk Assessment and Risk Management took place from 30 May - 3 June 2011 in Mexico City, Mexico. The Group made a number of revisions to the "Guidance on Risk Assessment of Living Modified Organisms" and agreed to a mechanism for future updates of the background materials for the Guidance. The Group also agreed to develop guidance on: (i) Post-release monitoring and long-term effects of LMOs released into the environment; and (ii) Risk assessment of living modified trees. The report of the meeting is available at <http://www.cbd.int/doc/meetings/bs/bsrarm-03/official/bsrarm-03-04-en.pdf>.

Decision BS-IV/16 and BS-V/3 (Section IV): Socio-economic considerations

113. The Secretariat organised online discussion groups on socio-economic considerations from 21 March to 8 May 2011. The discussion groups were intended to facilitate an initial global exchange of information and experiences on socio-economic considerations, help to develop a clearer understanding of the different perspectives on the issue, and identify issues for further discussion. Furthermore, on 16, 21 and 23 June 2011 the Secretariat organised "Regional Online Real-time Conferences on Socio-economic Considerations in Decision-making concerning LMOs" for: (i) Anglophone Africa, (ii) Western Europe and Others Group and Central and Eastern Europe; and (iii) Latin America and the Caribbean (Spanish), respectively. The online conferences for Francophone Africa and Asia-Pacific will be held in July 2011.

Status of Ratification or Accession to the Protocol

114. As of 30 June 2011, 161 countries had ratified or acceded to the Protocol. The list of Parties to the Protocol is available on the Secretariat's website at: <http://bch.cbd.int/protocol/parties/>.

ANNEX II

Status of Implementation of the Agreed Administrative Arrangements

I Personnel Arrangements

1. During the reporting period, the Secretariat had 37 regularized Professional staff members and 27 regularized General Service staff members funded from the core budget. There were 3 Professional posts and 5 General Services vacant post for which recruitment/selection is in progress. Additionally, 6 professional posts and 11 General Service posts were funded from other sources. For more information, please refer to the attached staff list and organigram (Appendix 1 and Annex II respectively).

II Contributions and Funds

2. During the second quarter of 2011, fifteen pledges of additional voluntary funds in support of approved activities under the Convention (**BE Trust Fund**) were recorded.
