

2012

Cancer Related Studies

SCHOLARSHIPS

The Peter's Project Committee invites applications from students intending to undertake study in a Cancer Related program during 2012.

Peter's Project is now seeking applications from health professionals interested in taking advantage of this attractive opportunity.

Applicants must be able to demonstrate:

- Continued commitment to Cancer Services and Palliative care in South West Victoria.
- Evidence of commitment to patient care
- Endorsement from senior management of their organisation
- Ability to commence the course in 2012 and complete the course requirements, successfully.

The scholarships are open to people working in health care organisations, in South West Victoria.

Applications addressing the selection criteria should be submitted by close of business on the **16th December 2011**, for consideration by the Peter's Project Committee.

Application should be sent via mail to:

Director of Peter's Project Committee
Vicki Jellie
PO Box 5227
Warrnambool Vic 3280

or email to: admin@petersproject.org.au

Further information about the scholarship is available from:

- admin@petersproject.org.au

Selection criteria

- Brief summary of involvement in health care
- Brief summary of how your chosen course would benefit South West Victoria.
- Submission of current experience and qualifications
- Expectation of ongoing service to community after successfully completing the course
- Submission of two referees

Scholarships available up to the value of \$5,000
