Product Description

LEFT BEHIND 4: World at War is a real-time strategy game based on the best-selling LEFT BEHIND book series, created by Tim LaHaye and Jerry Jenkins. Join the ultimate fight of Good versus Evil, commanding the Tribulation Forces, the Global Community Peacekeepers and the American Militia!

In the fourth chapter of the Left Behind PC Game series, gamers will enjoy new destructible building graphics, new missions with 40 interactive movies to enhance the storyline. The game includes over 50 single player missions, 3 multiplayer modes, 39 multiplayer maps, and a robust skirmish mode allowing you to play against the computer by yourself or with up to 7 friends online.

Geared toward players ages 13 and up, three levels of computer difficulty will challenge even the most experienced RTS gamer. Easy to understand controls and a comprehensive tutorial will ease even the most inexperienced gamer into a thriving, realistic depiction of a future New York City in the midst of World War III.

Key Features

- New American Militia missions expand the storyline into World War 3
- Combat the Antichrist's forces on two battle fronts - physical & spiritual
- Use the power of prayer and worship to resist spiritual influences and defend against their physical attacks
- Control over 45 unit types, each with unique attributes and special abilities
- Witness Angelic appearances and Demonic battles as a direct result of your choices
- No online subscription fees for online multiplayer games. Choose to play with up to 7 friends for free! Play with your friends against the computer in skirmish mode or team up with the computer to defeat your friends.
- Featuring an original soundtrack by award-winning composer, Chance Thomas (King Kong, X-Men, Lord of the Rings).
