## NOTIFICATION

### Sub-Regional Workshop for Latin America on Capacity Building for Implementation of the CBD Programme of Work on Protected Areas

Dear Madam/Sir,

In paragraph 7a of decision X/31 on protected areas, the Conference of the Parties (COP) to the Convention on Biological Diversity (CBD) requested the Executive Secretary to continue to hold regional and sub-regional capacity-building workshops, with special attention to element 2 on *governance, participation, equity and benefit-sharing* of the programme of work on protected areas (PoWPA), and other identified priorities with specific timetables for planning and funding, developing cooperation with regional and sub-regional convention agreements, the IUCN World Commission on Protected Areas, technical networks, and other partners.

Accordingly, the Secretariat, thanks to the generous financial assistance of the European Union, is organizing a Sub-Regional Workshop for Latin America on Capacity Building for Implementation of the CBD Programme of Work on Protected Areas to be held from 12 to 16 March 2012 in Bogota, Colombia, in collaboration with the Government of Colombia, the National Natural Parks of Colombia, and the PoWPA Friends Consortium.

The objective of the workshop is to build capacity to (i) create a national action plan for implementation of the PoWPA, (ii) access funding based on these action plans, and (iii) strengthen implementation of the PoWPA on the themes of governance, climate change (including integrating protected areas into the wider land and seascape), sustainable financing, and valuation of the costs and benefits of protected areas, with a focus on marine protected areas where applicable. The provisional agenda and other meeting documents will soon be available on the CBD website (<http://www.cbd.int/doc/?meeting=WSCBPA-LA-01>).

In this regard, I am pleased to invite CBD primary focal points to nominate one representative of their government, at their earliest convenience, but not later than **10 February 2012**, to participate in the workshop. The Secretariat will be in a position to finance the

participation of one representative from eligible Parties. Parties are requested to use the following criteria when submitting their nomination:

- The country representative should be involved in the implementation of the PoWPA; and
- After the workshop, the representative should be in a position to translate the knowledge gained into concrete actions.

In the weeks leading up to the workshop the participants will be expected to spend approximately 5 hours per week participating in online courses guided by mentors (<http://www.cbd.int/protected/e-learning/>) on key themes of the PoWPA such as climate change and protected areas. The capacity gained can be shared with staff in country who may also take these modules.

Unless the nominee is the current PoWPA Focal Point, nominations must include full contact details and be accompanied by *curriculum vitae* clearly indicating the areas of expertise of the nominee. CBD primary focal points should provide the name and contact details of their nominee via **official signed letter** addressed to the Executive Secretary by the deadline (faxed to +1 (514) 288-6588, or scanned and attached to an email addressed to [secretariat@cbd.int](mailto:secretariat@cbd.int)). Please note that the workshop will be held in English and Spanish with interpretation provided.

I look forward to receiving your nominations and I thank you in advance for your cooperation and for your continued support for the work of the Convention.

Please accept, Madam/Sir, the assurances of my highest consideration.

Ahmed Djoghlaif  
Executive Secretary
