

RED & BLACK FORUM

A series of introductory talks and discussions on Anarchism presents:

ANARCHISM AND THE OCCUPY MOVEMENT

Introduced by Wenny Theresia

Anarchist ideas and methods of organisation have been influential in the Occupy movement, both here and overseas. How relevant have such ideas and methods been in Occupy Sydney? How do anarchist ideas contribute to understanding and developing the aims of Occupy? An active participant in Occupy Sydney will introduce a discussion of the role of anarchism in the Occupy movement and what that might mean for the growth of genuine grassroots democracy.

2pm, Sunday 22 April 2012

Jura Books, 440 Parramatta Rd, Petersham

“I think it only makes sense to seek out and identify structures of authority, hierarchy, and domination in every aspect of life, and to challenge them”
Noam Chomsky
