

This document captures the writing teams for the IPCC Working Groups I, II, and III contributions to the IPCC Fifth Assessment Report (AR5). Names, roles, and countries of residence are provided, as extracted from the AR5 nominations database, except in the case of experts that work for international organizations or institutes. For the most up to date list for each Working Group, please consult the individual Working Group Website.

Working Group I

Notes:

CLA = Coordinating Lead Author, LA = Lead Author, RE = Review Editor, TS = Technical Summary

ChNr = Chapter Number, WG = Working Group

United Kingdom = United Kingdom of Great Britain and Northern Ireland

** Most entries are country of residence. However, for several experts working for International Organizations we have listed their "(country of citizenship) / (organization name)"
