PROJECTS

KONOMARK

The Konomark project introduces a standardized symbol and name to be used by the owners of copyrighted works displayed on the internet to signal the owners' general willingness to license the marked works to others without compensation. Have posted more than 10,000 photos on Flickr to support the project. Website:
<http://www.konomark.org>.

MUSEUM OF INTELLECTUAL PROPERTY

This project involves displaying tangible artifacts from leading cases that define the law of copyright, patent, trademark, and other IP fields. The collection contains more than 100 physical artifacts. Most of the artifacts are on display at the University of North Dakota Thormodsgard Law Library. Website: <http://www.museumofintellectualproperty.org>.

ONLINE COMPENDIUMS OF TEACHING MATERIALS

Online collections of materials for intellectual property and for media and entertainment law. Materials include actual contracts, demand letters, various litigation pleadings, and judicial opinions. Compendium of Materials for Media & Entertainment Law available at: http://www.eejlaw.com/media_and_entertainment_law_compendium.html.
Compendium of Materials for Intellectual Property available at:
