

Susan McKeown

Grammy winner Susan McKeown's new album explores lyrics from poets who wrote through the lens of depression, mania and addiction

McKeown dips into the bleak well of emotional suffering and comes up with a heaping cup of hope. - *The Boston Globe*

Brave. There's great solace in it – a very fine album. - *Gerry Godley, Lyric FM*

Decide for yourself if she is a pop, rock or folk star—if not all three. - *Boston Examiner*

Captivating – *Time Out New York*
