

THE PREFIGURATIVE ORGANIZATION

A PRESENTATION BY
NORWEGIAN ANARCHIST KIM KEYSER

Spanish Translation will be Available

Kim Keyser is an activist from the emerging anarchist movement in Norway, the so-called "social democratic paradise." He will address the question "How can we reflect the future we want, in our present work?" The presentation will touch upon subjects such as direct democracy, direct action, workers councils, anarchist organizing, and involvement in social movements.
