

UKBA Crisis - Emergency Members Meeting

Monday 3rd September 2012

1-2pm, Tower Building, North campus, TM-G58

The decision by the UK Border Agency to revoke London Met's licence to teach and recruit international students has profound implications. The negligence and incompetence of Malcolm Gillies and his administration has put the future of this institution in doubt. As management have consistently failed to consult us or share information with staff, join us for an emergency members meeting in order to discuss these important issues:

- Why was so much time and money diverted to 'Shared Services' and the LSBF partnership when they should have had full attention on the concerns raised by the UKBA audit?
- Why were warnings not heeded?
- Who will be held accountable, and where do we go from here?

This is a meeting for UNISON and UCU members. Non-members can join at the meeting. All students welcome.
