Lots of courtroom action today: the Moussaoui case hits a crucial sestion today: does a terror defendant have the right to communicate -- albertide -- with another terrorist in order to substantiate his innocence. stridge and Emanuel will run back and forth to cover us.

ott Peterson has an evidence hearing.

d Eric Rudolph will be arraigned (unlike yesterday) in Alabama in preparation his death penalty murder trial.

the president is doing something that few of his predecessors dared undertake: thing the US case for mideast peace to an Arab summit. It's a distinctly eptical crowd that Bush faces. His political courage and tactical cunning ar th noting in our reporting through the day.

e La Jeunesse lives should be used. The national forest as pot field story i re Fox.
