

2013 Product Catalog

Focused on High Quality, Safe and Effective
Sterile Pharmaceuticals for Veterinarians

Akorn Animal Health

ABOUT AKORN INCORPORATED

Welcome to Akorn's 2013 Product Catalog. For over 42 years, Akorn has been known as a leader in the pharmaceutical industry. Akorn's mission is to provide high quality, safe and effective pharmaceuticals for veterinarians. We manufacture and distribute a full line of diagnostic, therapeutic, surgical, and over-the-counter ophthalmics; as well as injectables and specialty niche branded and multi-source drugs.

Our customers include veterinarians, physicians, optometrists, ophthalmologists, acute care facilities, hospitals, surgery centers, retail stores, distributors, and clinics.

Akorn is committed to serving our customers by providing an extensive line of affordable pharmaceuticals in the following market segments:

Ophthalmologic Pharmaceuticals

- Solutions
- Ointments
- Gels
- Injectables

Injectable and Specialty Therapeutic Pharmaceuticals

- Liquid Injectables: Amps and Vials
- Lyophilized Injectables: Vials
- Jellies
- Creams
- Oral Solids

Akorn is a Louisiana-based corporation founded in 1971 in Abita Springs. In 1997, we relocated our corporate headquarters to the Chicagoland area. We operate FDA-licensed pharmaceutical manufacturing facilities in Decatur, Illinois and Somerset, New Jersey, a R&D center in Vernon Hills, Illinois and a distribution warehouse in Gurnee, Illinois.

If you have any questions or need further information, please contact your preferred Animal Health Distributor or Akorn's toll-free Customer Service line at **(888)628-0581** for assistance. Please also visit us online at **www.akornanimalhealth.com**.

Thank you for your continued support of the Akorn product line. We look forward to supporting you and your staff with quality products and superior service.

Akorn Animal Health

Akorn Animal Health is dedicated to providing the finest, high quality, safe and effective pharmaceuticals for veterinary use.

Akorn manufactures and distributes a full line of diagnostic, therapeutic and over-the-counter ophthalmics as well as specialty niche drugs for the veterinary marketplace and has been in business since 1971.

HOW TO ORDER AKORN PRODUCTS

To ensure that you receive the quality pharmaceuticals you expect—and that your clients and their pets deserve—be sure to specifically ask for Akorn products by name when ordering from your preferred Animal Health Distributor. Akorn is an approved, FDA-licensed manufacturer of sterile ophthalmic and injectable pharmaceuticals.

Our partner distributors include:

Animal Health International, Inc.

First Veterinary Supply

Midwest Veterinary Supply

Patterson Veterinary Supply

Butler Schein Animal Health

HSB Veterinary Supply

MWI Veterinary Supply

Penn Veterinary Supply, Inc.

... and many others

Most Akorn products are available through your preferred Animal Health Distributor. In the unlikely event that your distributor is not carrying a specific product that you need, please call our dedicated Animal Health Customer Service Representatives toll-free at **(888)628-0581** or email us at **customer-service@akornanimalhealth.com** so we can help.
