

Foreign Affairs

Celebrating 90 Years

"The bible of foreign policy thinking."
—Washington Post

"The most influential periodical in print."
—Time magazine

Since 1922, *Foreign Affairs* has led the discussion on America's role in the world on a broad range of topics from security and defense to economics and culture. Visit ForeignAffairs.com for daily analysis of current events, in-depth reporting, and the complete archives of the print magazine.

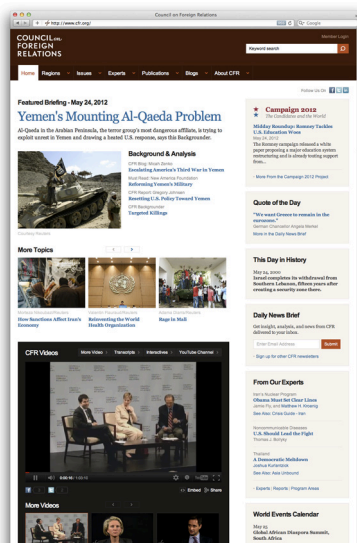

CFR.org

"An indispensable resource in a fast-changing world."
—Charlie Rose

The Emmy Award-winning CFR.org is a first-stop, nonpartisan resource on U.S. foreign policy, national security, and international economics. CFR.org provides daily analysis of international news and a digest of the best information and resources available anywhere.

Policy Reports

U.S. Education Reform and National Security

The United States' failure to educate its students leaves them unprepared to compete and threatens the country's ability to thrive in a global economy and maintain its leadership role, asserts this Independent Task Force.

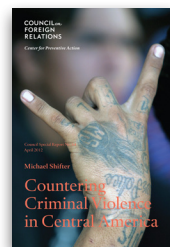

Read this report at www.cfr.org/etf
TFR 68 • 120 pages • ISBN 978-0-87609-520-1 • \$15.00

U.S.-Turkey Relations: A New Partnership

The leaders of the United States and Turkey should forge a new strategic partnership that reflects not only common interests, but also Turkey's new stature as an economically and politically successful country with a new role to play in a changing Middle East, says this Task Force report.

Read this report at www.cfr.org/ttf
TFR 69 • 96 pages • ISBN 978-0-87609-525-6 • \$15.00

Countering Criminal Violence in Central America

Michael Shifter assesses the causes and consequences of the violence faced by several Central American countries and examines the national, regional, and international efforts intended to curb its worst effects.

Read this report at www.cfr.org/cvcsr
CSR 64 • 56 pages • ISBN 978-0-87609-523-2 • \$10.00

The New Global Health Agenda

Most countries in the world have moved toward universal health coverage systems, enhancing affordability and access to medical care. The authors discuss this rise in support for universal coverage and the financial benefits that may be reaped by implementing such schemes.
