

STOCKBROKING CASH ACCOUNT application form

Details

Cash Accounts offer competitive interest with no fees and charges.

To conveniently settle your share purchases or sales, we recommend opening a Cash Account with Bank of Western Australia Limited (Bankwest).

Advantages

- Bankwest offer a competitive interest rate, calculated on the daily balance of your account and credited monthly. These transactions appear on your monthly statement.
- There are no account fees and no government charges.

A Cash Account is necessary if you are planning to trade online.

How it works

Share purchases are debited from your account on the day of settlement and proceeds from share sales are credited to your account on the day of settlement.

There is no need to contact Bankwest – all enquiries about your account may be directed to Broker Services, including requests to withdraw funds.

If we receive your instruction to withdraw funds before 11.00am AEST/AEDT, we can draw a cheque on the same day. If your request is received after 11.00am, a cheque will be drawn the next business day or funds deposited into one of your other bank accounts.

Opening an account

To open a Cash Account, simply complete and send us the attached application form with identification (if not already provided).
