# RAISE THE RATES

## WEEK OF ACTION

**Restore the Community Start-Up and Maintenance Benefit**  
**Stop the attacks on disability benefits**  
**Raise social assistance rates 55% and minimum wage to \$14**

The Raise the Rates Campaign is holding a week of action to fight the attack on ODSP (Ontario Disability Support Program) and to demand a living income for all. We are planning actions across Ontario throughout the week, and uniting for a provincial convergence on Saturday, October 19th, in Sudbury.

*In place of the endless talk of this Government about 'poverty reduction' we will be taking action!*

**Toronto \* Sudbury \* Kitchener/Waterloo \* Kingston**  
**Belleville \* Cobourg \* London \* Peterborough**
