eBrochure

Tailored search delivered straight to their inbox

Domain.com.au's eBrochure gives you the opportunity to directly target property seekers who have registered their interest in properties that match your listings.

Showcase your best side

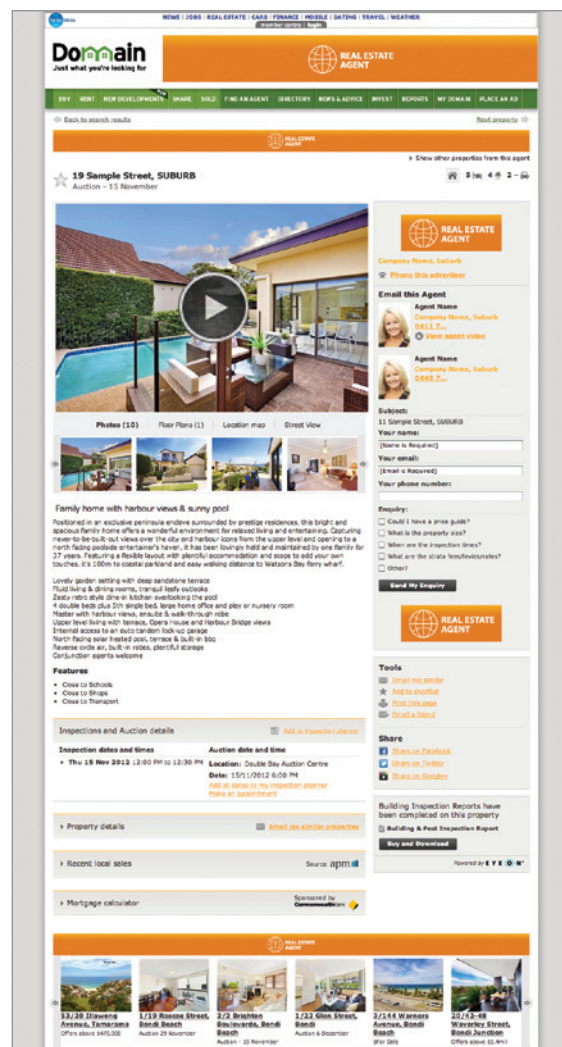

When purchased with a Top Spot or Premium Plus listing product the eBrochure is branded with your Agency's logo and colour for high impact exposure and stronger buyer engagement.

The eBrochure functionality lets you customise a prospect list and send them an email of a selected property. And, with 'real time' delivery and tracking capability.

Domain.com.au's eBrochure is easy, fast and effective.

Why eBrochure?

- Reach highly targeted property seekers
- Easy to contact agent details
- Large hero image and multiple property vistas
- Able to utilise video for immediate engagement
- Strong Agency branding with Top Spot or Premium Plus listings
- Interactive map for precise directions 'on the go'
