

LEONARD PELTIER CLEMENCY GATHERING

SATURDAY, DECEMBER 8, 2012, 12 NOON TO 3 PM (we must leave at 3 pm so we will start at 12 noon, please get there early)

TACOMA, WA, St. Leo Church, 710 South 13th St (Yakima Ave. and South 13th, from I-5 take I-705, exit downtown and go up 13th St).

For the last year and a half the Leonard Peltier Clemency Campaign has been building support for Clemency for Leonard Peltier with marches, rallies, video showings and other educational work. We knew that the best opportunity for clemency being granted would be after the election. In order for this to happen great public support must be built and maintained. This event is for Leonard Peltier supporters to give a strong post-election push for clemency. We ask all Leonard Peltier supporters to please join us at this event. Please make phone calls and/or send e-mails to the White House in support of clemency: White House Comments Line - 202-456-1111; 202-456-1112, E-mail: <http://www.whitehouse.gov/contact/>
