PRESENTED BY

As Halloween reminds us that winter is on its way, there are some important things to keep in mind:

- You need a reliable, safe vehicle to get around the region.

- The Capital Region has a strong, stable and growing economy.
- There is an excellent choice of 2014 and 2013 cars with amazing mileage and safety features that used to be available on only the fanciest luxury vehicles.
- Interest rates remain low and incentives are plentiful.

So why let the kids have all the treats this Halloween? Come to the ESP Auto Show and find your next great ride!
