What Is This?

By Jesus Diaz, 2:30 PM on Fri May 22 2009, 76,314 views

Looks like a billion gazillion television screens, thundering their nonsense and babbling at the same time in some gigantic art installation. Or maybe one of those crazy LED art projects in a skyscraper. It's better than all that, put together.

What you are seeing here is the Rosetta Disk: 13,500 pages of
