Conversion Details

For your conversion to be successful, your registration details on your Issuer Sponsored statements must match your registration details on your trading account exactly, including middle name/s and address. Please ensure that if you are converting shares to a joint holding, your Issuer Sponsored statements are in that joint holding and not single names as this constitutes a change of beneficial ownership.

Issuer Sponsored Holding statements attached (tick if applicable)

If you have attached statements you do not need to complete the next step.

If you **have not** attached Issuer Sponsored Holding statements, please complete the following:
