

## **ANZAC DAY ANTI-MILITARIST ACTION**

Anzac Day is being used to promote poisonous nationalist and militarist myths - as if the Australian armed forces are qualitatively different from the murderous military of the United States and other imperialist powers!

Join us in protesting against nationalism & militarism and in promoting a working class alternative to war.

**10.30 a.m. Tues 25 April  
Old IWW Headquarters  
171 Little Bourke St (cnr Russell St)  
Melbourne 3000**
