

## **Feasta Public Statement of Commitment to Standards in Fundraising Practice**

Feasta is fully committed to achieving the standards contained within the Statement of Guiding Principles for Fundraising.

The Statement exists to:

- Improve fundraising practice.
- Promote high levels of accountability and transparency by organisations fundraising from the public.
- Provide clarity and assurances to donors and prospective donors about the organisations they support.

We at Feasta have considered the Statement and believe we meet the standards it sets out.

Feasta's reports on our fundraising activities are available in annual reports (from 2013 on). Our annual reports can be found at <http://www.feasta.org/annual-report/> .
