Butler Amusements Carnival: Cleanest and Largest Show in the Western U.S.

Butler Amusements, the largest carnival in the Western United States, founded in 1970, is celebrating its 45th year of operation. Four generations of the Butler family own and actively operate this thriving company.

Always committed to its motto "The Cleanest Show in the West," Butler hires grounds clean up employees who work

from carnival opening until closing, each day of the fair. Throughout Butler's existence, it has provided the newest and most exciting rides and attractions available in the carnival industry. The presentation of the carnival always includes innumerable features which give a bright colorful appearance while always stressing a safe and customer-friendly

environment.

The Evergreen Fair comes alive under the lights of the Magical Midway, where fairgoers of all ages will find their favorite rides!

Near the Blue Gate (East) are the Family and Kid rides.

For a thrilling experience try the new ride: Freak Out!

Kid rides are gentle and smooth running with just the right amount of thrill for first time

riders. New to the Fair this year is the Happy Swing. This Kid Ride accommodates those who are 36 inches in height and gently swings to and fro just like a porch swing! Family rides can accommodate both adults and children which is perfect for children who are not ready to brave the rides alone. This includes rides such as the Americana Carousel, Looney Tooter Train, Wacky Worm

Kid Coaster, and the Tea Cups.

Just inside the Red Gate (West) is where the Spectacular and Major rides are located. Spectacular rides are the most thrilling and exhilarating – returning this year by popular demand, is the Freak Out. The Freak Out, manufactured by KMG – Netherlands, made its debut last year and is one of the most popular rides on the midway.

This new ride boasts an

energy efficient light package utilizing LED's which produce clear bright color while using 90% less power to operate.

Towering at 70 feet, the Freak Out seats 16 people and takes them on a thrilling journey into the sky! Passengers are secured by over the shoulder harnesses as they dangle in expectation. Once the ride begins the seats slowly rotate as the entire boom begins to swing horizontally.

Passengers swing over the midway directly overhead of those watching from the front of the ride. The ride climax is reached as the boom reaches a height of over 40 feet in the air while the passenger seats rotate. Also featured this year is the high speed, multi-story, Zillerator Roller Coaster.

Please visit www.EvergreenFair.org for a complete list of rides, height requirements, coupons, safety

and general information.

Ticket Prices: \$30-50, includes Fair Gate Admission

Rock legends Pat Benatar & Neil “Spyder” Giraldo have just announced plans to keep their 35th Anniversary Tour rocking fans through the summer with an additional 35 concerts added coast to coast. The powerhouse duo behind one of the largest arsenals of rock hits including “Love is a Battlefield,” “Hit Me with Your Best Shot,” “Heartbreaker,” “We Live For Love,” “Promises In The Dark,” “We Belong” and more will be headlining solo concerts nationwide.

“35 years ago, “Heartbreaker” (on the debut album “In The Heat of The Night”) was

the catalyst for it all,” said Pat Benatar. “It’s hard to believe that so much time has passed. We’re excited to be celebrating this personal and musical milestone. The summer tour should be an incredible, shared experience with the audience.”

“From the very beginning our chemistry was un-deniable,” remarked Neil Giraldo. “This is the driving force behind everything we do. After 35 years of playing together, we’re looking forward to the summer tour and the future, which will surely be... adventurous.”

Together, with Benatar’s mezzo-soprano vocal range and Giraldo’s trail-blazing work as a guitarist, producer and songwriter, Pat Benatar and Neil “Spyder” Giraldo have forged one of the most successful partnerships in rock & roll history. Since their initial collaboration 35 years ago on the debut album “In The Heat of the Night,” they have sold more than 26 million albums and charted 19 Top 40 singles, earning four consecutive Grammy Awards and three American Music Awards.

Billboard Magazine ranked Benatar as one of the most successful female rock vocalists of all-time. Her emergence as a fearless, fighting force has helped forge a path for other female rock stars around the world. In addition to the arsenal of more than 100 songs he’s written, produced, arranged and recorded for

Benatar, Giraldo has helped create hits for legions of other artists. There is a chemistry that will, undoubtedly, be thrilling music lovers forever. www.benatargiraldo.com

With 8.2 million albums sold to date—including one RIAA Double Platinum Album, three Platinum and six Gold records, and two Platinum and four Gold DVDs—Casting Crowns remains the top-selling act in Christian music since 2007. The award-winning group—consisting of Mark Hall (lead singer/songwriter), Melodee DeVevo (violin, cello, vocals), Brian Scoggin (drums), Megan Garrett (piano, keyboards, vocals), Juan DeVevo (guitar, vocals), Chris Huffman (bass guitar, vocals) and Josh Mix (lead guitar, vocals)—got its start as a youth group worship band originally based in Florida. Today, each of the seven members remain active in student ministry at their respective churches in Atlanta, where Hall is serving in his 23rd year in youth ministry as student pastor at Eagle’s Landing First Baptist Church. Building on a strong

foundation forged by their self-titled major label debut in 2003 that went Double Platinum, Casting Crowns has earned some of the industry’s most prestigious accolades,

including six GRAMMY nominations, winning a GRAMMY for the band’s 2005 effort, Lifesong. In addition, over the past decade, Casting Crowns has garnered 17

GMA Dove Awards, three American Music Awards and two Billboard Music Awards, among others. Most recently, the band was named Artist of

• **Lee Brice: 7:30pm, Wednesday, September 2 (doors open at 6pm)**

Ticket Prices: \$37-55, includes Fair Gate Admission. Save \$\$\$! TWO NIGHTS, TWO SHOWS, ONE SEAT. Purchase a Lee Brice concert ticket and a Jerrod Niemann concert ticket (September 3rd) and save \$10+!

Lee Brice is a craftsman, the kind whose boundless desire to hone his skills and relentless pursuit of perfection are matched only by his humility about the entire process. His new album, *I Don't Dance*, is a showcase for his painstaking approach to writing and recording, with his

distinctive fingerprints clearly emblazoned on every element of the album. While Brice is now known as a reliable chart-topping Nashville hit-maker whose 2014 performance on the Academy of Country Music telecast — where he picked up the trophy for “Song of the Year” — “stole the show” (USA Today), there was a time when he was only recognized for his work behind the scenes.

“I had success as a writer before I had success as an artist,” says Brice, “so there’s a misconception that I was a songwriter first and then started to sing my own songs later. But all along, I’ve really always been writing for myself. When I started writing songs at ten years old, it was because I wanted to sing them, and when I came to Nashville, I came to be a songwriter and a singer.

It’s all one thing to me.”

“More Than A Memory” was a very personal song for me,” he says of his breakout 2007 track. “I was thinking about keeping it for myself when Garth Brooks called, and that changed the whole dynamic.” It changed a whole lot of things. Brooks’ recording of the track was the first single in the history of the Billboard Hot Country Songs Chart to debut at #1. Lee’s stock skyrocketed in Nashville, and that same year, he signed with Curb Records and began laying the groundwork for his inexorable rise as a solo artist.

He released his debut album, *Love Like Crazy*, in 2009. The title track reached #3 on the Billboard Country chart and set a record as the longest-charting song in that chart’s history. In 2012, he topped

his own success with *Hard 2 Love*, an album that went Gold and featured three #1 Country singles, including “I Drive Your Truck,” which won Song of the Year at both the CMA and ACM Awards. The record earned raves from NPR to Country Weekly and found the New York Times hailing him as “a sensitive macho man,” a compliment that perfectly encapsulates both sides of Brice’s persona. *Hard 2 Love* also garnered Lee his late-night debut, a stirring performance of “I Drive Your Truck” on NBC’s “The Tonight Show.”

The Chew Family Named the 2015 Snohomish County Centennial Farm Family

Snohomish County is pleased to honor the Chew Family as this year's Centennial Farm Family.

In 1888, Francis Small, his wife Elvira, and their six children traveled from Hammond, MN to homestead 160 acres on Gobel Hill in Granite Falls. His two daughters, Alice and Clara, married the Chew brothers, Floyd and Harry. In 1900, Francis fell ill and returned to his home in Minnesota, leaving Floyd to manage the homestead.

Floyd parceled off the land and acquired 40 acres at the base of the hill for dairy and beef cattle, which he ranched with the help of Alice and their eight children. In 1937 their two oldest sons, Charles and Wes, inherited the farm.

Charles and his wife Eva, who was active in 4-H, farmed their acreage while Wes raised cattle on his plot. Between 1965 and 1975 the farmland underwent major improvements, and was leased to Biringer Farms

to grow strawberries, peas and corn.

In 1975, Ron Chew, the only son of Charles and Eva, returned to the farm after serving in the navy. He and his wife Gayle raise beef cattle and hay on the property.

Ron collects Case Tractors and now serves as the vice-president of the Antique Tractor Club. He and Gayle have three children, Charles Jr., Robert and Christina.

The turning of the century and the County's Heritage 2000 Program prompted the beginning of a new annual recognition program for Snohomish County Centennial Farms. To qualify, farms must have been in constant production and under the same family ownership for 100 years or more. This annual award will be presented to the Chew Family during the 2 p.m. Opening Day Ceremony of the Evergreen State Fair on August 27 at the Xfinity Courtyard Stage.

One of the most popular singers in modern country music, Vince Gill is famous for his top-notch songwriting, world-class guitar playing and warm, soaring tenor, all wrapped up in a quick and easy wit. Gill achieved his big breakthrough in 1990 with "When I Call Your Name," which won both the Country Music Association's Single and Song of the Year award as well as a Grammy. Since then, he has won 17 more CMA honors, including Song of the Year four times – making him the most-awarded artist in that category in CMA history.

The CMA just honored Gill with its prestigious Irving Waugh Award of Excellence which is awarded to an individual who is "the originator and caretaker of demonstrated ideas and actions that have dramatically broadened and improved country music's influence." Gill and Johnny Cash are the only artists to have received this award.

Gill was also recently presented the BMI Icon Award which is given to "songwriters who have had a unique and indelible influence on generations of music makers." Since 1990, Gill has won 20 GRAMMY Awards. The Academy of Country Music has conferred

Vince Gill

on Gill eight awards, including its prestigious Home Depot Humanitarian Award and the 2011 Career Achievement Award. Gill was inducted into the Country Music Hall of Fame in 2007. He is also a member of the Grand Ole

Opry.

In August 2012, Gill was honored with a star on the Hollywood Walk of Fame. He is a member of the four-time Grammy-nominated band The Time Jumpers.

Fair Days Parade August 29 downtown

"Picture the Fun"

The Monroe Chamber of Commerce announces Parade Central, located on the grounds of Wagner Performing Arts Center, 639 West Main Street. Parade Central is the location of the judges reviewing stand, vendor booths, shaved ice, face painting, kettle corn, street dancing, food and more.

Vendors and food at Parade Central will open to serve crowds showing up early to a good seat for the parade and ignite the spirit of the fair theme "Picture the Fun" with street dancing in front of the reviewing stand at 9 a.m. with DJ music Big Dog Jerry Dickson.

Highlights of the 2015 line-up include popular community organizations such as the SeaFair Pirates, drift and drag cars from the Evergreen Speedway, the Pirates of Treasure Island, Ixtapa Equestrian Team, local bands, drill teams, tractor and motorcycle clubs, Colors of Hawaii and more.

Organizers are bringing bleachers to the area for additional seating around the judges reviewing stand, giving the parade a real focal point. For decades the reviewing stand was at the very end of the parade route. By the time performers made it there, they were exhausted. Wagner has such great space and is a central location where more people can gather and really have fun.

Organizers are putting out the call for vendor booths, and welcome local non-profits to have booth space for free at

Parade Central. Vendor space is only \$100.

Details and location for the Saturday, August 29, 2015 Monroe Fair Days Parade:

Parade route begins at 11 am at the intersection of West Main Street and 179th Ave. and ends at the intersection of West Main Street and Blakely Avenue. Parade Central is located at 639 West Main Street in Historic Downtown Monroe.

Food and vendors will open early. Music begins at 9 am.

Awards ceremony will be held at Parade Central after the parade with festivities wrapping up by 2:30 p.m.

For more information view the event on www.ChooseMonroe.com or call the Monroe Chamber of Commerce at (360)794-5488 or stop by the office located at 125 South Lewis Street in Monroe.

Information subject to change.

The Ixtapa Equestrian Team is sure to entertain the crowd at the Monroe Fair Days Parade!
