Corporate members

The new benefit Member E-Learning (MEL) provides you and ALL your staff with access to free online training modules. Valued at over \$700 per person, the more staff members you have, the more value for your organisation.

Individual members

Valued at over \$700, the new benefit Member E-Learning (MEL) provides you with access to free online training modules to help you continue your professional development, setting you apart as a true professional who values professional and ethical behaviour.

- Update and refresh skills whenever or wherever you choose
- Convenient for members who are remotely located and/or time poor
- Modules take only 40- 90 minutes to complete on average
- Instant take-aways to apply immediately in the workplace
- Brief description, objectives and outcomes, approximate duration and CPD points achieved displayed at commencement
- Certificate of completion emailed to trainees for their records.

The new free training is accessible from the RCSA website in the same location as the RCSA Code for Professional Conduct training.
