Book

sage go beyond any one disease. The courage evident in these stories' caregivers and patients is truly amazing. Each party must accept that there is no cure, but each realizes there can be dignity and love.

If there is a central lesson of *Just Listen* for the *Thud*, it could be that laughter may not be a cure, but the cliché is true: it really is the best medicine. Sometimes it's the only medicine that can truly make a difference.

again—lying on the kitchen floor. 'What the hell are you doing?' scolded Daniel. Stephanie looked up. 'Duh, I'm washing the floor,' she retorted.'

Along with humorous anecdotes such as this, these stories share with readers the necessary steps of accepting, caring, receiving help and letting go with bravery and not a shred of self-pity.

These stories may deal with a specific type of illness, but the lessons and mes-
