Richard Gage, AIA and the ReThink911 campaign are bringing the message straight to New York’s political leaders and national media outlets with an all-day tour culminating in a rally at ReThink911’s towering Times Square billboard at **5:20pm—exactly 12 years to the minute since Building 7 fell.**

Join us on this whirlwind tour as we deliver [AE911Truth petitions](#) and ReThink911 [VIP Packs](#), request on-the-spot interviews, and conduct our own interviews of the media establishment that continues to ignore the evidence. Then we complete this thrilling day of anniversary activities with a rally to include esteemed speakers William Pepper, Cynthia McKinney, Bob McIlvaine, Frank Morales, Richard Gage, and other VIP speakers to be announced.
