TRAKiT:

A QUICK LOOK AT USING THE NEW PERMITTING SYSTEM

Permit Center

City of Bellingham 210 Lottie Street Bellingham, WA 98225 <u>www.cob.org/permits</u> (360) 778-8300 <u>permits@cob.org</u>

WELCOME TO TRAKIT!

Starting November 2015, the City of Bellingham will be using TRAKiT for all permitting, projects, code enforcement and inspections.

NEW WEBSITE PORTAL:

TRAKiT's online services can be accessed at <u>www.cob.org/epermits</u>. Track your permit application as it goes through the review process, pay fees, then schedule multiple inspections on a single permit in one sitting.

NEW AUTOMATED PHONE INSPECTION SCHEDULING:

TRAKIT uses all new IVR codes for inspections. See the back of this brochure for a complete list.

The implementation of TRAKiT is a major transition for both the City of Bellingham and our customers. We appreciate your patience as we navigate this new system together!

For assistance with TRAKiT, please contact the Permit Center at (360) 778-8300, or permits@cob.org.

HOW TO CREATE A TRAKIT ACCOUNT:

- 1. Access the website at www.cob.org/epermits
- 2. At the top of the screen, click Setup an Account OR enter your contractor login and password.
- Enter your profile information, create a log-in name and password, and security questions (all fields are required). Once complete, click CREATE ACCOUNT.
- 4. You will receive a registration confirmation email. Click the Confirm link in the email to activate your account.
- 5. You may now log into TRAKiT with your username and password and link your account to your issued permit(s).

HOW TO SCHEDULE AN INSPECTION BY PHONE:

- 1. Dial (360) 778-8303.
- 2. Press [1] to schedule an inspection. Additional options (cancel, or review inspection results) are available.
- 3. Enter your permit number and press the [#] key. For letters, use the corresponding key on the number keypad.
- 4. Press [1] to confirm your permit number.
- Enter the 3 digit IVR inspection code number and press [#]. *Refer to your issued permit sheet for required inspections and corresponding IVR codes.* Press [#] for a list of all available inspection codes for your permit.
- You will receive a confirmation number. Follow the phone instructions to schedule additional inspections on the same permit or for another permit. Once all inspections are scheduled, hang up.

HOW TO SCHEDULE AN INSPECTION ONLINE:

- 1. Access the website at www.cob.org/epermits.
- 2. In the Inspections box, click Schedule.
- EXISTING USERS: Enter your User Name and Password and log in. Skip down to step 5 or 6.
- NEW USERS: Click the link to Register and follow the instructions. Once you have logged in to your Dashboard, you need to add your permit(s) to your account. Click the LINK TO PERMITS button, enter your Permit #, and click LINK.
- 5. **OPTION A**: For simple permits, under My Active Inspections, pick the applicable inspection and click Schedule.
- 6. **OPTION B:** For complex permits, under My Active Permits, click Request for the permit you are scheduling, then select appropriate inspection from the dropdown list.
- 7. From the Requested Date dropdown menu, select a date. Only available dates will appear.
- 8. From the Time dropdown menu, select Any, AM, or PM. This selection is a preference, NOT a guarantee.
- 9. Once all fields have been completed, click ADD INSPECTION if desired.
- 10. Finalize the request by clicking SUBMIT. The inspection will now have a date assigned under My Active Inspections.
- 11. To CANCEL any inspection, click the red X.
