- (f) The Licensees shall maintain records relating to the status of Screened Personnel, and shall provide these records, upon request, to any or all of DHS and DOJ; and
- (g) any records or other information relating to individual persons provided to or obtained by DHS or DOJ in connection with this Agreement, including implementation and results of screening requirements, shall be maintained in a secure and confidential manner strictly in accordance with applicable law.

**3.12 Nondisclosure of Protected Data.** The Licensees shall not directly or indirectly disclose information concerning Lawful U.S. Process, Classified Information, or Sensitive Information to any third party, or to any officer, director, shareholder, employee, agent, or contractor of the Licensees, including those who serve in a supervisory, managerial or executive role with respect to the employees working with the information, unless disclosure has been approved by prior written consent obtained from DHS and DOJ or there is an official need for disclosure of the information in order to fulfill an obligation consistent with the purpose for which the information is collected or maintained.

**3.13 Notice of Obligations.** The Licensees shall instruct appropriate officials, employees, contractors, and agents as to their obligations under this Agreement, including the individuals' duty to report any violation of this Agreement and the reporting requirements in Article 4 of this Agreement, and shall issue periodic reminders to them of such obligations.

**3.14 Access to Classified or Sensitive Information.** Nothing contained in this Agreement shall limit or affect the authority of a U.S. Government Authority to deny, limit or revoke whatever access any of the Licensees might have to Classified or Sensitive Information under that Government Authority's jurisdiction.

#### **ARTICLE 4: REPORTING AND NOTICE**

**4.1 Filings Concerning *de jure* or *de facto* Control of the Licensees.** If any of the Licensees makes any filing with the FCC or any other Government Authority relating to the *de facto* or *de jure* control of that Licensee, or to the Cable System, except for filings with the FCC for assignments or transfers of control that are *pro forma*, the Licensees shall promptly provide to DHS and DOJ written notice and copies of such filing.

**4.2 Change in Control.** If any member of the managements of the Licensees (including officers and members of the Boards of Directors) acquires any information that reasonably indicates that any single foreign entity or individual, other than those already identified in connection with the pending FCC Application filed by the Licensees, has or will likely obtain an ownership interest (direct or indirect) in any of the Licensees, or in the Cable System, above ten (10) percent, as

determined in accordance with 47 C.F.R. § 63.09, or if any foreign entity or individual, singly or in combination with other foreign entities or individuals, has or will likely otherwise gain either: (i) Control; or (ii) *de facto* or *de jure* control of any of the Licensees then such officer or director shall promptly cause that Licensee to notify DHS and DOJ in writing within **ten (10) business days**. **4.3 Procedure and Process on Reporting.** Within **forty-five (45) calendar days** of the Effective Date, the Licensees shall adopt and distribute to all officers and directors, a written procedure or process for the reporting by officers and directors of noncompliance with this Agreement. This written procedure or process shall also provide for the reporting by employees, agents and contractors to management of information that must be reported to DHS and DOJ under this Article. Any violation by any of the Licensees of any material term of such corporate policy shall constitute a breach of this Agreement. By a written statement, the Licensees shall notify all employees, contractors and agents that the general categories of information identified in this Article should be disclosed to senior management and shall set forth in a clear and prominent manner the contact information for a senior manager to whom such information may be reported. The written statement informing employees, contractors, and agents of the need to report this information shall also state that the Licensees will not discriminate against, or otherwise take adverse action against, anyone who reports such information to management or the United States government. The Licensees shall make such process or procedure documents available to DHS and DOJ upon request.

**4.4 Non-retaliation.** Within **forty-five (45) calendar days** after the Effective Date, the Licensees shall adopt and distribute to all officers and directors an official corporate policy that strictly prohibits discrimination or any adverse action against any officer, director, employee, contractor, or agent because he or she has in good faith initiated or attempted to initiate a notice or report under this Article, or has notified or attempted to notify the management to report information that he or she believes in good faith is required to be reported to DHS or DOJ under either this Article or under the Licensees' written notices to employees on the reporting of any such information. Any violation by any of the Licensees or any of their Affiliates of any material term of such corporate policy shall constitute a breach of this Agreement. The Licensees shall make such process or procedure documents available to DHS or DOJ upon request.

**4.5 Reporting of Incidents.** The Licensees shall report to DHS and DOJ any information acquired by any of their officers, directors, employees, contractors or agents that reasonably indicates:

- (a) a breach of this Agreement;
- (b) access to or disclosure of Domestic Communications, or the conduct of Electronic Surveillance, in violation of federal, state or local law or regulation;
- (c) access to or disclosure of CPNI or Subscriber Information in violation of federal, state or local law or regulation (except for violations of FCC regulations relating to improper commercial use of CPNI); or
- (d) improper access to or disclosure of Classified or Sensitive Information.

This report shall be made in writing by the appropriate officer to DHS and DOJ no later than **ten (10) calendar days** after any of the Licensees acquires information indicating a matter described in this Section. The Licensees shall lawfully cooperate in investigating the matters described in this Section. The Licensees need not report information where disclosure of such information would be in violation of an order of a court of competent jurisdiction in the United States.

**4.6 Access to Information and Facilities.** DHS, DOJ, or other agencies or personnel assigned to assist DHS or DOJ, may visit at any time any part of the Licensees' Domestic Communications Infrastructure and security offices to conduct on-site reviews concerning the implementation of the terms of this Agreement and may at any time require unimpeded access to information concerning technical, physical, management, or other security measures needed by DHS or DOJ to verify compliance with the terms of this Agreement.

**4.7 Access to Personnel.** Upon reasonable notice from DHS, DOJ, or other agencies or personnel assigned to assist DHS or DOJ, the Licensees shall make available for interview any of their officers or employees and any contractor located in the United States, who is in a position to provide information to verify compliance with the terms of this Agreement.

**4.8 Annual Report.** On or before the last day of January of each year, designated senior corporate officers representing each of the Licensees shall submit to DHS and DOJ a report assessing each of the Licensees' compliance with the terms of this Agreement for the preceding calendar year. The report shall include:

- (a) a copy of the then current policies and procedures adopted to comply with this Agreement;
- (b) a summary of the changes, if any, to the policies or procedures, and the reasons for those changes;

- (c) a summary of any known acts of noncompliance with the terms of this Agreement, whether inadvertent or intentional, with a discussion of what steps have been or will be taken to prevent such acts from occurring in the future; and
- (d) identification of any other issues that, to any of the Licensees' knowledge, will or reasonably could affect the effectiveness of or its compliance with this Agreement.

**4.9 Right to Third Party Audits.** Either DHS or DOJ may in its sole discretion require the Licensees to obtain a third party audit of the Licensees' compliance with the terms of the Agreement and to provide the resultant audit report to either DHS or DOJ.

- (a) If this right to third party audits is availed by either DHS or DOJ, the Licensees will, within thirty (30) days of receiving such a request by either DHS or DOJ, propose terms and scope for the audit.
- (b) Once the Licensees has submitted the terms and scope of the audit, DHS and DOJ will consult, and the requesting party will have thirty (30) days to respond to the proposed terms and scope of the audit.
- (c) The Licensees will reasonably address any concerns raised by either DHS or DOJ and shall commence the audit within ninety (90) days of the earlier of (a) the expiration of the 60-day period set forth in this Section 4.4(a)-(b) above, or (b) reaching agreement on the scope and terms of the audit with DHS and DOJ.
- (d) The audit required by this Section 4.9 shall be solely at the Licensees' expense and neither DHS nor DOJ shall be required to make any showing of cause to invoke this right to third party audit. However, if DOJ or DHS invokes its right to a third party audit, the Licensees shall not be requested to conduct another third party audit until twelve (12) months has passed from the conclusion of the previous audit requested by any of the Agencies.

**4.10 Notices.** Effective upon execution of this Agreement by the Parties, all notices and other communications relating to this Agreement, such as a proposed modification, shall be in writing and shall be deemed given as of the date of receipt and shall be sent by electronic mail, or if no e-mail is specified, by one of the following methods: (a) delivered personally, (b) sent by facsimile, (c) sent by documented overnight courier service, or (d) sent by registered or certified mail, postage prepaid, addressed to the Parties' designated representatives at the addresses shown below, or to such other representatives at such addresses as the Parties may designate in accordance with this Section:

#### **ARTICLE 5: FCC CONDITION**

**5.1 FCC Approval.** Upon the execution of this Agreement by the Parties DHS and DOJ shall on its own motion at an appropriate time or at the request of any of the Licensees notify the FCC that, provided the FCC adopts a condition substantially the same as set forth in Exhibit A attached hereto (the "Condition to FCC Authorization"), DHS and DOJ have no objection to the FCC's grant of the pending Application described in the Recitals of this Agreement. This Section is effective upon the Effective Date, provided however that in the case of a material modification or withdrawal of the Application after the execution of this Agreement the effectiveness of this Section may be suspended by DHS or DOJ, and any such FCC filing is subject to the right to object reserved in Section 5.2.

**5.2 Right to Object to Future FCC Filings.** The Licensees agree that in any application or petition by any of the Licensees to the FCC for licensing or other authority related to any Cable

System filed with or granted by the FCC after the execution of this Agreement, except with respect to *pro forma* assignments or *pro forma* transfers of control, the Licensee shall request that the FCC condition the grant of such licensing or other authority on compliance with the terms of this Agreement. Notwithstanding Section 7.9, DHS and DOJ reserve the right to object, formally or informally, to the grant of any other FCC application or petition of any of the Licensees for a license or other authorization under Titles II and III of the Communications Act of 1934, as amended, and to seek additional or different terms that would, consistent with the public interest, address any threat to the ability of the United States to enforce the laws, preserve the national security and protect the public safety raised by the services and transactions underlying any such application or petition.

## ARTICLE 6: DISPUTES

**6.1 Informal Resolution.** The Parties shall use their best efforts to resolve any disagreements that may arise under this Agreement. Disagreements shall be addressed, in the first instance, at the staff level by the Parties' designated representatives. Any disagreement that has not been resolved at that level shall be submitted promptly to the legal counsel for the Licensees and the Assistant Secretary for Policy of DHS and the Assistant Attorney General for National Security of DOJ, or their respective designees, unless DHS or DOJ believes that important national interests can be protected, or the Licensees believe that paramount commercial interests can be resolved, only by resorting to the measures set forth in Section 6.2. If, after meeting with higher authorized officials, a Party determines that further negotiation would be fruitless, then that Party may resort to the remedies set forth in Section 6.2. If resolution of a disagreement requires access to Classified Information, the Parties shall designate a person or persons possessing the appropriate security clearances for the purpose of resolving that disagreement.

**6.2 Enforcement of Agreement.** Subject to Section 6.1 of this Agreement, if any Party believes that another party has breached or is about to breach this Agreement, that Party may bring an action against the other Party for appropriate judicial relief. Nothing in this Agreement shall limit or affect the right of a U.S. Government Agency to:

- (a) require that the Party believed to have breached, or about to breach, this Agreement cure such breach within **thirty (30) calendar days**, or whatever shorter time period is appropriate under the circumstances, upon receiving written notice of such breach;
- (b) request that the FCC modify, condition, revoke, cancel, or render null and void any license, permit, or other authorization granted or given by the FCC to the Licensees, request that the FCC take other action, or request that the FCC impose any other appropriate sanction, including but not limited to a forfeiture or other monetary penalty, against the Licensees;
- (c) seek civil sanctions for any violation by any of the Licensees of any U.S. law or regulation or term of this Agreement;

- (d) pursue criminal sanctions against the Licensees, or any director, officer, employee, representative, or agent thereof, or against any other person or entity, for violations of the criminal laws of the United States; or
- (e) seek suspension or debarment of the Licensees from eligibility for contracting with the U.S. Government, in accordance with applicable law and regulation.

**6.3 Irreparable Injury.** The Licensees agrees that the United States would suffer irreparable injury if for any reason they failed to perform any of their obligations under this Agreement, and that monetary relief would not be an adequate remedy. Accordingly, the Licensees agree that, in seeking to enforce this Agreement, DHS and DOJ shall be entitled, in addition to any other remedy available at law or equity, to specific performance and injunctive or other equitable relief.

**6.4 Waiver.** The availability of any civil remedy under this Agreement shall not prejudice the exercise of any other civil remedy under this Agreement or under any provision of law, nor shall any action taken by a Party in the exercise of any remedy be considered a waiver by that Party of any other rights or remedies. The failure of any Party to insist on strict performance of any of the provisions of this Agreement, or to exercise any right they grant, shall not be construed as a relinquishment or future waiver; rather, the provision or right shall continue in full force. No waiver by any Party of any provision or right shall be valid unless it is in writing and signed by the Party.

**6.5 Waiver of Immunity.** The Licensees agree, to the extent that they or any of their property (including FCC licenses and authorizations and intangible property) is or becomes entitled at any time to any immunity on the ground of sovereignty or otherwise based upon a status as an agency or instrumentality of Government from any legal action, suit or proceeding or from setoff or counterclaim relating to this Agreement, from the jurisdiction of any competent court or the FCC, from service of process, from attachment prior to judgment, from attachment in aid of execution of a judgment, from execution pursuant to a judgment or arbitral award, or from any other legal process in any jurisdiction, they, for themselves and their respective property expressly, irrevocably and unconditionally waives, and agrees not to plead or claim, any such immunity with respect to matters arising with respect to this Agreement or the obligations herein (including any obligation for the payment of money) in any proceeding brought by a U.S. federal, state, or local Government Authority. The Licensees agrees that the waiver in this provision is irrevocable and is not subject to withdrawal in any jurisdiction or under any statute, including the Foreign Sovereign Immunities Act, 28 U.S.C. § 1602 *et seq.* The foregoing waiver shall constitute a present waiver of immunity at any time any action is initiated by a U.S. federal, state, or local Government Authority against any of the Licensees with respect to compliance with this Agreement.

**6.6 Forum Selection.** It is agreed by and between the Parties that a civil action among the Parties for judicial relief with respect to any dispute or matter whatsoever arising under, in connection with, or incident to, this Agreement shall be brought, if at all, in the United States District Court for the District of Columbia.

## ARTICLE 7: OTHER

**7.1 Right to Make and Perform Agreement.** Each Party represents that it has and shall continue to have throughout the term of this Agreement the full right to enter into this Agreement and perform its obligations hereunder and that this Agreement is a legal, valid, and binding obligation of each Party enforceable in accordance with its terms.

**7.2 Headings.** The Article and Section headings and numbering in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of the terms of this Agreement.

**7.3 Other Laws.** Nothing in this Agreement is intended to limit or constitute a waiver of: (a) any obligation imposed by any U.S. federal, state, or local laws on the Licensees, (b) any enforcement authority available under any U.S. or state laws; (c) the sovereign immunity of the United States; or (d) any authority the U.S. Government may possess over the activities or facilities of the Licensees located within or outside the United States (including authority pursuant to the International Emergency Economic Powers Act). Nothing in this Agreement is intended to or is to be interpreted to require the Parties to violate any applicable U.S. law.

**7.4 Statutory References.** All references in this Agreement to statutory provisions shall include any future amendments to such statutory provisions.

**7.5 Non-Parties.** Nothing in this Agreement is intended to confer or does confer any rights on any person other than the Parties and any Government Authorities that utilize Lawful U.S. Process.

**7.6 Entire Agreement; Modifications.** This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the Parties with respect to the subject matter. This Agreement may only be modified by written agreement signed by all Parties. DHS and DOJ agree to consider promptly and in good faith possible modifications to this Agreement if any of the Licensees believes that the obligations imposed on it under this Agreement are substantially more restrictive than those imposed on other U.S. and foreign licensed service providers in like circumstances in order to protect U.S. national security, law enforcement, and public safety concerns. Any substantial modification to this Agreement shall be reported to the FCC within **thirty (30) calendar days** after approval in writing by the Parties.

**7.7 Severability.** The provisions of this Agreement shall be severable and if any provision thereof or the application of such provision under any circumstances is held invalid by a court of competent jurisdiction, it shall not affect any other provision of this Agreement or the application of any provision thereof.

**7.8 Changes in Circumstances for the Licensees.** DHS and DOJ agree to negotiate in good faith and promptly with respect to any request by the Licensees for relief from application of specific provisions of this Agreement if there is a change in circumstances such that those

provisions become unduly burdensome or have a demonstrably adverse effect on the Licensees' competitive position.

**7.9 Changes in Circumstances for DHS or DOJ.** If after the date that the Parties have executed this Agreement, DHS or DOJ finds that the terms of this Agreement are inadequate to address national security, law enforcement, or public safety concerns, then the Licensees will negotiate in good faith to modify this Agreement to address those concerns.

**7.10 Counterparts.** This Agreement may be executed in one or more counterparts, including by facsimile, each of which shall together constitute one and the same instrument.

**7.11 Successors and Assigns.** This Agreement shall inure to the benefit of, and shall be binding upon, the Parties, and their respective successors and assigns. This Agreement shall also be binding on all subsidiaries, divisions, departments, branches, and other components or agents of the Licensees.

**7.12 Effectiveness of Agreement.** Except as otherwise specifically provided in the provisions of this Agreement, the obligations imposed and rights conferred by this Agreement shall take effect upon the Effective Date.

**7.13 Notice of Additional Services.** The Licensees shall provide a minimum of **thirty (30) calendar days** advanced notice to DHS and DOJ in the event that they change or intend to change the technical or operational plans set forth in the Recitals to this Agreement such that the material representations made therein are no longer fully accurate, true and complete.
