

Letter of Introduction to GSI: By the start of your first section meeting during the week starting January 25, please write a 250-word essay--a “letter of introduction”--to your GSI.

Provide your preferred name (and set your preferred name in BearFacts: <<http://registrar.berkeley.edu/preferred-name.html>>).

Include your email, and attach a picture.

In this letter, discuss:

- the reasons why you are choosing to spend 3% of your scarce college curriculum time taking this course this year,
- what you hope to learn from this course,
- what you hope to do in the future as a result of this course, and
- whatever else about yourself that you would like to share with your GSI.
